Virtual Enrichment Programme 2021

Virtual Enrichment Programme 2021

Our planned College Enrichment Programme may have been put on hold, but that is no reason for students to miss out on a whole host of activities that can give new experiences, extend learning, develop an appreciation for cultural issues and bring some fun to College life. We may not be able to run physical Enrichment activities during lunchtimes and after College, but there is still the opportunity for every Ivybridge Community College student to get involved in activities that enhance their learning. We have therefore put together a Virtual Enrichment Programme to keep students motivated and develop their characters beyond the classroom. Musical Instrument, Singing or Acting Lessons

Reasons to start taking Lessons:

- We have a team of Tutors covering almost every instrument and style.
- A little goes a long way: an individual lesson for 20 to 30 minutes a week provides you with one-to-one support, technical guidance and tuition tailor-made for you. You can decide if you want to learn popular or classical styles and if you want to play 'just for fun' or take graded examinations.
- Did you know that by achieving a Grade 6 or above you can gain UCAS points which could help you get into university?
- If you are taking GCSE, BTEC, RSL or A-Level Music, your instrumental teacher can help you to achieve your full potential for your performance components and coursework.
- If you are eligible for free school meals, you can learn an instrument for a fraction of the cost as the fees are subsidised from Pupil Premium funds.
- All our teachers are DBS checked and trained in safeguarding.
- Lessons take place online when the College is closed due to COVID-19 or if a student is isolating.

You can currently take lessons in:

- **Acting:** Speech and Drama
- **Singing:** pop, classical and musical theatre styles
- **Guitar and Bass Guitar:** acoustic, electric, classical, jazz, pop and rock styles
- **Drum Kit and Percussion:** pop, rock, metal, jazz and orchestral
- **Piano:** pop, jazz and classical
- **Woodwind:** Flute, Clarinet, Oboe, Bassoon and Saxophone
- **Brass:** Trumpet, Cornet, Trombone, Tenor Horn, Baritone Horn, French Horn, Euphonium and Tuba
- **Strings:** Violin, Viola, Cello, Double Bass - classical to folk styles

You can see our team of teachers by downloading the **Musical Instrument, Singing and Acting Lessons** booklet from the Performing Arts Section of the College website. Teachers set their own fees so you will need contact our teachers directly to find out what they offer and the cost of lessons; but remember that if you are eligible for Pupil Premium you can get a term of lessons for only £20.

Please contact the teacher directly to arrange lessons, or for general enquiries email musictuition@ivybridge.devon.sch.uk
