## Sports Academy

Our vision is to give every child, from primary to Sixth Form and from participation to elite level, the opportunity to develop their athletic ability, improve the level of skill in their chosen sport(s) and reach their performance potential. We will do this by providing access to excellent teaching and coaching, support and specialist sports provision alongside their academic commitments.

We have changed the names of our leading sports groups from 'Academy' to '**Elite Squads**'. Our highest-level athletes in each Sport Academy will now, therefore, be in the Elite Football Squad, Elite Gymnastics Squad, Elite Netball Squad and Elite Rugby Squad.

The **Developments Squads** are **open to all** students at Ivybridge. The primary purpose of the Development Squad is participation, with the related goals of improved physical fitness, fun, and social involvement. Students participating in the Development Squads will have the opportunity to be selected for the **Elite Squads**.

## Student Leisure Time

Student Leisure Time is a programme of activities that students engage in during their break and lunchtimes at the College. Students may participate in these sessions for reasons such as relaxation, competition or personal development. The sessions are not structured or skill based, as the focus is on student participation and enjoyment. Staff will be present at all times for Student Leisure Time. Please see the requirements for each leisure opportunity with regard to footwear and PE kit. In some activities, students are allowed to remain in College uniform and simply change their footwear to trainers.

### **Where to meet for the enrichment sessions?**

Due to restrictions, students are still unable to use the changing rooms. All students are to meet at the venue stated on the timetable, for the time allocated and for the specific enrichment activity. The teacher in charge of each enrichment activity will meet and greet all students on arrival to sessions and provide instructions for where to place bags and personal property.

### **Student Registration**

There is no need for any students to sign up for the enrichment sessions. Simply, turn up to the venue as stated on the timetable and your name will be recorded each time you participate in the sessions.

### **Elite Squads and Registration**

All Elite Squads are required to participate in training sessions as stated on the Enrichment Programme. All Elite Squad members have been automatically placed on to SIMS for registration for after-College enrichment. All Elite Squads are to meet at the venue stated on the timetable at the start of every session.

### **What to wear and bring?**

Due to restrictions, students are required to wear PE kit or Academy kit into College if they are participating in an after-College enrichment activity. All students must remain smart in their kit. Please ensure all students have plenty to drink and a small snack for after College.

If you have any issues or questions regarding enrichment please email Helen Reddy ([hreddy@ivybridge.devon.sch.uk](mailto:hreddy@ivybridge.devon.sch.uk)).

Thank you.
