Enrichment Programme 2021

Enrichment is at the very heart of Ivybridge Community College, woven into all parts of College life and helping to provide a truly rounded educational experience for all students. That is why we are committed to ensuring that the College's Enrichment Programme has and will continue to thrive throughout this academic year.

Please see below enrichment for all our students from **Tuesday, 14 September 2021**. The Enrichment Programme is a blend of face to face and virtual sessions and divided into Departments.

Sports Academy

Our vision is to give every child, from primary to Sixth Form and from participation to elite level, the opportunity to develop their athletic ability, improve the level of skill in their chosen sport(s) and reach their performance potential. We will do this by providing access to excellent teaching and coaching, support and specialist sports provision alongside their academic commitments.

We have changed the names of our leading sports groups from 'Academy' to '**Elite Squads**'. Our highest-level athletes in each Sport Academy will now, therefore, be in the Elite Football Squad, Elite Gymnastics Squad, Elite Netball Squad and Elite Rugby Squad.

The **Developments Squads** are **open to all** students at Ivybridge. The primary purpose of the Development Squad is participation, with the related goals of improved physical fitness, fun, and social involvement. Students participating in the Development Squads will have the opportunity to be selected for the **Elite Squads**.

Student Leisure Time

Student Leisure Time is a programme of activities that students engage in during their break and lunchtimes at the College. Students may participate in these sessions for reasons such as relaxation, competition or personal development. The sessions are not structured or skill based, as the focus is on student participation and enjoyment. Staff will be present at all times for Student Leisure Time. Please see the requirements for each leisure opportunity with regard to footwear and PE kit. In some activities, students are allowed to remain in College uniform and simply change their footwear to trainers.

Where to meet for the enrichment sessions?

All students are to meet at the venue stated on the timetable, for the time allocated and for the specific enrichment activity. The teacher in charge of each enrichment activity will meet and greet all students on arrival to the sessions and provide instructions for where to place bags and personal property.

Student Registration

There is no need for any students to sign up for the enrichment sessions, unless stated otherwise. Simply, turn up to the venue as stated on the timetable and your name will be recorded each time you participate.

Elite Squads and Registration

All Elite Squads are required to participate in training sessions as stated on the Enrichment Programme. All Elite Squad members have been automatically placed on to SIMS for registration for after-College enrichment. All Elite Squads are to meet at the venue stated on the timetable at the start of every session.

What to wear and bring?

Students are required to wear PE kit or Academy kit if they are participating in sport and physical activity. Classroom-based activities will require students to remain in College uniform. All students must remain smart in their kit and uniform. Please ensure all students have plenty to drink and a small snack for after College.

If you have any questions regarding enrichment please email Helen Reddy (enrichment@ivybridge.devon.sch.uk).

Thank you

Mrs Reddy
