Re: Remote Learning Update

Dear Parent/Carer

Further to our correspondence to you earlier in the week, we have reviewed our staff absence rates across the College and can confirm that we will continue with the planned Year Group rota next week.

The table below is a reminder of when each **Year Group will not be in College** and will follow the Independent Remote Learning Programme. This will be released via 'foldr', accessed from the College website. Further instructions will be provided on epraise and there will be a step by step demonstration for each Year Group as part of their Virtual Assembly at 8.55am on the first day of their Remote Learning. All Year Groups on Remote Learning will be expected to log in to a Virtual Assembly each day, using the link provided on epraise each morning.

Please note the following groups will be required to remain in College regardless of which Year Group are designated to work from home; the families of those students will have been contacted in advance of their scheduled Remote Learning day(s):

- Vulnerable students
- Students with an EHCP
- Students with Social Worker involvement
