

FREE TRAINING

Vistry Routeway 2 Construction

Vistry Partnerships, one of the UK's largest National Homebuilders, in association with Train4All Construction & Engineering Academy and Swatpro, are delighted to be offering a bespoke Sector Based Work Academy and Traineeship Programme for those looking to start a career as a Site Labourer or tradesperson with real job opportunities on site.

The Routeway 2 Construction programmes for those aged 16 and over are delivered across Vistry Partnerships construction sites in Devon; Alphington in Exeter and North Prospect in Plymouth. The programme provides valuable job opportunities following training and with over 18 current employment vacancies, this programme really can enable someone to start building their future.

Routeway 2 Construction:

- CITB CSCS Green Card - Site Safety Passport
- City& Guilds Level 1 Health & Safety Award
- City & Guilds Level 1 Employability Skills - Work Preparation
- Maths, English and Digital Skills
- Work experience with Vistry Partnerships supply chain
- Construction industry interview

Duration: 8 weeks

Training: 2 days training per week plus on-site experience

Locations: Alphington - Exeter, North Prospect - Plymouth
