

Post-Results Services

We are aware that in some cases students may be disappointed with their results and would like a review of the marking, or simply would like to obtain a copy of their exam script. Examination Boards offer various post-results services for these students.

Post-Results Services Available:

Review of Marking

This is a post-results review of the original marking to ensure that the agreed mark scheme has been applied correctly. Reviewers do not remark the script, they will act to correct any errors identified in the original marking. **These requests will be actioned on staff return in September.**

Priority Review of Marking (A Level only)

As above, but is a priority service for A Level candidates only, whose University place is at risk. **These requests will be actioned as soon as possible.**

(Priority) Copy of script to support review of marking

This is a priority service that ensures copy scripts are returned to the centre in sufficient time to allow decisions to be made whether a non-priority review of marking should be applied for. **These requests will be actioned as soon as possible.**

Copy of script for College use

This is a non-priority service enabling centres to request copies of scripts to support Teaching and Learning. **These requests will be actioned on staff return in September.**

Requesting a Post-Results Service

Most post-results services incur a charge. All charges are set by each Examination Board. No chargeable services will be processed until payment is made.

Payments can be made by card over the phone by calling 01752 891755.

Payments can also be made by contacting the Examinations Office via exams@ivybridge.devon.sch.uk to arrange to pay by cash or cheque.

The request for a post-results service must be completed by the candidate using their College log-in/email address.

To request a Review of Marking or Access to Scripts, please complete the form on our website.
