Dear Mrs Taylor,

THANK YOU – WHAT A LOT OF WOOLLY WONDERS YOU ARE!

Thank you for your generous Christmas Jumper Day donation of £1396.61!

We'll work hard to make sure every gift, big or small, helps transform children's lives. Your support could help keep a child living in a refugee camp warm through winter, help buy nutritious food for struggling families, or set up a safe space for children rescued from danger, giving them the chance to play and be children again.

As an official thank-you from all of us at Jumper HQ, I've enclosed a certificate to mark your fantastic fundraising (the total shown on your certificate may not yet include all of your donations – if you'd like a new certificate then please email us at christmasjumper@savethechildren.org.uk or you can download one online at christmasjumperday.org/fundraising-pack).

Thanks to fabulous festive fundraisers like you, Christmas Jumper Day 2017 has spread that warm and woolly feeling further than ever, making a big, life-saving difference.

I hope you all had a tinseltastic day and that, as you pack up your JollyJingleJumpers for another year, you're already looking forward to Christmas Jumper Day 2018 on Friday 14 December.

Thank you again for your fantastic support.

Warmest wishes,

A handwritten signature in black ink that reads 'Brea'.

p.s. BaubleBells! We have been experiencing some errors with our online form. If you've received a certificate with your name instead of the organisation you took part with or your total doesn't look quite right please accept our sincerest apologies. We'd love to send you out a new and correct certificate so please do just get in touch with us. Thank you again for all of your generous donations!
