

Independent Learning in A Level Business

After each lesson, in addition to completing any set work, a pro-active, independent learner would...

- Ensure that notes are completed from the lesson.
- Read through any hand-outs provided from the lesson.
- Read the relevant section from the Classwork independent learning folder.
- Make a list of things not fully understood and discuss with a peer or a teacher *before* the next lesson.
- Try to summarise the content of the lesson in note or mind map format to diagnose lack of understanding.
- Try to commit factual information to memory immediately, rather than leaving it until revision.
- Match the content of the specification against lesson notes/content to ensure that all points are covered.
- Maintain a list of learning points from reviewed/marked work and regularly review this list.
- Use the worksheets folder in Classworks to allow you to strengthen your subject knowledge
- Read up on the next topic before the next lesson.
