

October 2016

Dear Parents, Carers and Students

On behalf of all the staff at Ivybridge Community College, and as the newly appointed Principal I would like to warmly welcome you to the new academic year 2016/17. As an experienced Headteacher and a parent at the College myself, I am passionate about continuing on the road to further excellence and carrying on with the baton of success from former Principal, Mr Rob Haring; which sees the College with GCSE results amongst the highest in Devon and will once again be amongst the top performing schools nationally. I am particularly proud that students of all abilities have made such outstanding progress.

Chair of Governors, Mike Saltern has commented, "We are immensely proud of our students' excellent results and we congratulate all our students and staff who have continued to uphold our ethos of total commitment to outstanding Teaching and Learning. The students now embark on their journey through life with every confidence and I wish them every happiness and success in whatever direction their roads may take them".

As Principal, I firmly believe in continuing to develop the 'Outstanding Ivybridge Legacy' by maintaining a focus on high quality Teaching and Learning for all of our learners and keeping the students at the heart of all our decisions. I very much look forward to meeting with students and parents alike over the coming months and will be offering a range of opportunities for parents to become more involved with life at the College in the near future.

In the meantime, please continue to support your son/daughter's attitude to learning and their progress at the College by regularly checking their Planner and ensuring they continue to adhere to the first section which provides a clear outline on the College's expectations, particularly with regard to the:

- Code of Behaviour
- College Uniform / Dress Code
- Rewards and Commendations

We take pride in our excellent College's reputation and I am extremely proud by how hard the staff work to support the high standards that we expect of our students. The staff are always grateful for the support and communication that parents provide on this matter. Working in collaboration is a key ingredient to providing the best educational outcomes for any student and I look forward to developing our partnerships throughout my time at Ivybridge Community College. We shall be launching a new website shortly with many new features that will enable closer parent/College communication. Therefore, I would welcome your parent views on a brief survey which can be accessed via the link below. This will provide an ideal starting point to prepare us going forward and I would be grateful for responses by Monday, 31 October 2016.

On this note, I would like to hand over to Mr Cliff, Head of Year 9, who is keen to share current developments specific to your Year Group.

Welcome back to the start of another academic year and welcome to Key Stage 4. I am extremely thrilled to be taking on a group with such huge potential. I have been immensely impressed with the start our Year 9 students have made to this academic year, and they have settled straight back into College life and as a result have made a great start to their GCSE's. It is clear to see that our Year Group have set themselves high standards of uniform and behaviour.

We have started this year focusing on the Olympic and Paralympic Values, sharing inspirational stories from this summer's games. Students have been working on their understanding of how we can translate the seven Olympic and Paralympic Values into College life and in our local communities, and I look forward to seeing our students demonstrate these values around the College.

Some key dates for your diary for this academic year:

- Year 9 Tutor Evening is on the Thursday, 1 December 2016 and
- Year 9 Subject Parents' Evening is on Thursday, 30 March 2017.

Yours faithfully

Rachel Hutchinson
Principal

David Cliff
Head of Year 9
