Dear Parent/Carer

## Re: Bus Travel Application 2026/27

We are pleased to confirm that the College operated bus application process for the 2026/27 academic year will open on **Monday, 15 June 2026**.

The College works hard to keep the cost of its bus service as low as possible. Alongside fuel costs the charges cover driver costs, repairs, maintenance and general running costs of the fleet. As these costs continue to rise, we have had to increase charges to ensure that the level of subsidy provided by the College does not increase to the detriment of students' education.

The annual charge for the 2026/27 bus service is £988.47, which represents a 5% increase and equates to £5.23 per day.

## Application Process

The online application form will be available from **Monday, 15 June 2026**.

Please apply via the College website under College Information → Bus Routes and Information, ensuring you select the form for College operated routes.

Applications will be processed in the order they are received subject to:

- there being no outstanding balance on your account, and
- the deposit being paid.

The closing date for applications is **Monday, 6 July 2026**.

Please note that submitting an application does not guarantee a seat, due to high demand.

If a place is not available on your selected route, we will contact you to discuss alternative options.

## Payment Details

### Deposit

All applications require a deposit of £97.47, payable via ParentPay.

Once your application has been submitted, the deposit will appear on your ParentPay account within 14 working days. Please ensure this is paid as soon as possible, and no later than Monday, 3 August 2026.

The balance can then be paid by either monthly standing order or termly deposits on ParentPay.

If you choose to pay by standing order, this must be set up directly with your bank.

Please arrange nine monthly payments of £99.00, payable from Monday, 7 September 2026 to Friday, 7 May 2027, inclusive.

- Students must carry their pass on every journey as we operate a strict **No Pass, No Travel** policy.

### Bus Routes

Current bus routes are published on the College website. Please base your application on this information.

Due to changing demand, routes and timings may be subject to change for 2026/27. These will be finalised after the application window has closed on Monday, 6 July 2026, and any changes will be communicated as soon as possible.

As part of our commitment to best value, routes will continue to be reviewed in future years, which may result in further changes.
