

Enrichment Week 2018

Year 7

Year 7 Enrichment Week 2018

Ivybridge Community College has supported for the last 10 years the UK Initiative National School Sports Week. For 2018, Ivybridge will be hosting its very own Enrichment Week for Year 7-10.

1. What is Enrichment Week?

While a large proportion of ICC students' time is spent on ensuring their academic success, we also believe in helping students develop their characters; find out more about their interests and passions; and invest in their social, moral and cultural life-skills.

The activities Ivybridge offers in Enrichment Week – including sports, arts, music, community development and work experience – are perfectly placed to support this. They can help improve ICC students' future employability, boost self-confidence, develop leadership skills, instil self-motivation, overcome fears and help them succeed in society. They are also a fantastic way to increase students' enjoyment of College life, creating an inclusive spirit and helping build life-long memories and friendships.

What happens?

During Enrichment Week the normal College timetable is collapsed and students are offered a range of alternative learning experiences and activities outside of the usual curriculum. Activities across the year groups range from creative writing workshops, football sessions, cinema trips and caving to surfing, cheerleading, dance trips to London, and outdoor educational trips to the Ardeche.

2. When is it?

Monday, 2 July to Friday, 6 July 2018

3. Overview of the Week

Students will receive an Enrichment Week booklet, which includes the activities/workshops available to them. Each year group will follow a different timetable. The activities/workshops are either '**on site**' or '**off site**'.

On-site activities will take place at the College and within College hours. Some will involve a cost. Consent forms are not required. Students can still access the College canteen during break and lunch times. All students are required to **register in the Sports Hall all week**.

Off-site activities/workshops take place outside of the College. There will be a cost for each activity to include entrance fee and transport. All parents must consent to off-site trips via ParentPay. All students will be required to bring a packed lunch and drinks. Students must prepare themselves for all weather conditions (additional clothing, water proofs, sun cream, sun hats, and sun glasses).

The Enrichment Week **timetable** will inform students of the following:

- The cost
- Where to meet
- What to wear
- What to bring
- Times of the activities/workshops
- On-site or off-site activities/workshops
- Venue

Year 7 - Payment Details and How to Sign Up

1. Payment must be made using ParentPay. Please go to www.parentpay.com and log in to activate your account and use the user name and password sent to you by the College.
2. Select the preferred package (subject to availability) and make payment
3. Select an option for Friday Enrichment and make payment
4. Payment guidelines:
 - £20 minimum deposit to secure your son's/daughter's place on a trip
 - Pay a minimum 50% of the amount of all trips by **Monday, 18 June**
 - Pay the full amount of all trips by **Monday, 2 July**
5. Once your payment has been processed you will be given a reference number. Please put this on the reply slip attached so we know your payment has been processed
6. Return the reply slip to your son/daughters tutor by **Monday, 18 June**
7. All activities/workshops have a maximum number of spaces and are offered on a 'first come first served' basis. All activities are different with regards to the number of available spaces. If an activity/workshop is full, students must choose an alternative activity
