

Enrichment Week 2018

Year 10

Year 10 Enrichment Week 2018

Ivybridge Community College has supported for the last 10 years the UK Initiative National School Sports Week. For 2018, Ivybridge will be hosting its very own Enrichment Week for Years 7-10.

1. What is Enrichment Week?

While a large proportion of ICC students' time is spent on ensuring their academic success, we also believe in helping students develop their characters; find out more about their interests and passions; and invest in their social, moral and cultural life-skills.

The activities Ivybridge offers in Enrichment Week – including sports, arts, music, and community development and work experience – are perfectly placed to support this. They can help improve ICC students' future employability, boost self-confidence, develop leadership skills, instil self-motivation, overcome fears and help them succeed in society. They are also a fantastic way to increase students' enjoyment of College life, creating an inclusive spirit and helping build life-long memories and friendships.

What happens?

During enrichment week the normal College timetable is collapsed and students are offered a range of alternative learning experiences and activities outside of the usual curriculum. Activities across the year groups range from work experience, creative writing workshops, football sessions, cinema trips and caving to surfing, cheerleading, dance trips to London, and outdoor educational trips to the Ardeche.

2. When is it?

Monday, 2 July to Friday, 6 July 2018

3. Overview of the Week

The focus of Enrichment Week for Year 10 students is helping them to develop an insight into their future careers. We therefore encourage our Year 10 students to identify, secure and complete a work experience placement.

Work experience provides ICC students with an insight into the working world, teaches them more about what to expect of life after College, and provides a valuable addition to their CV. For some, it will also provide an exciting opportunity to gain an insight into a specific career in which they are interested. A work placement is an opportunity to spend a period of time outside the classroom, learning about a particular job or area of work.

Students will also get the chance to develop and show evidence of vital skills such as self-confidence, communication, independence and a variety of other skills, depending on what kind of placement they do.

Year 10 Enrichment Week in Detail

What is "Friday Enrichment Options"?

Friday is a mixture of activities/workshops for all students at the College. It involves:

ICC Athletic Championships
OR
Choice of activity/workshop (on-site or off-site)

ICC Athletic Championships

Students who have qualified (from PE Lessons) must attend the Athletic Championships. Letters will be handed to all students who have qualified. All Year 10 GCSE PE students will automatically qualify and will be expected to participate in the Athletic Championships.

Activities/Workshops

For those who have not qualified for the Athletic Championships, select from a range of **on-site** or **off-site** activities/workshops. There will be a cost for some of these activities. All activities will be opened to all year groups. A mix of different year groups will attend the workshops/activities. Students may wear mufti for this day. Please read the timetable for any specific items of clothing required for the activity and for all details on Friday Enrichment Options.

What do you do next?

1. All students must select package to follow from the tables above
2. Parent/guardians must organise work experience for their son/daughter
3. Parents must consent to the work experience and take full responsibility for their son/daughter in the chosen work place
4. Complete the reply form and parental consent to undertake work experience and return the form to their tutor
5. Read the details on Friday Enrichment Options and select an option
6. Use ParentPay to sign up to and pay for the activities/workshops
7. ParentPay will create the registers of names for Enrichment Week, so it is **essential** that all parents sign up to the required package for their son/daughter
8. Read the How to Sign Up and Payment Details sections

Year 10 - How to Sign Up and Payment Details

ICC is working in conjunction with Careers SW Enterprise to complete the administration for Year 10 Work Experience. As a result, Careers SW will contact the employers of all Year 10 work experience students to request a copy of documents including their 'Employers Liability Insurance' and 'Public Liability Insurance'. Students will only be allowed to undertake work experience if these documents are in place.

These documents are necessary as they enable the College to verify all employers' insurances and will cover a work experience placement of 2-5 days (depending on your particular arrangements for your child). This process safeguards students as it ensures they have a safe working environment. There will be a contribution payment of £10 towards the cost of commissioning Careers SW to carry out these checks.

Payment Details:

1. Sign Up and Payment must be made using ParentPay. Please go to www.parentpay.com and log in to activate your account and use the user name and password sent to you by the College
2. Select a Work Experience package on ParentPay
3. Select an option for Friday Enrichment activity/workshop or ICC Athletic Championships (subject to availability)
4. Payment guidelines:
 - £20 minimum deposit to secure your son/daughter's place on all activities/workshops
 - Pay a minimum 50% of the amount of all trips by **Monday, 18 June**
 - Pay the full amount of all trips by **Monday, 2 July**
5. Once your payment has been processed you will be given a reference number. Please put this on the reply slip attached so we know your payment has been processed
6. Return the reply slip to your son/daughter's tutor by **Monday, 4 June**
7. All activities/workshops have a maximum number of spaces and are offered on a 'first come first served' basis. All activities/workshops are different with regards to the number of available spaces. If an activity/workshop is full, students must choose an alternative activity.
8. Once ParentPay is completed and packages/activities are signed up for, a register will be generated for staff. Students' details will be extracted from SIMS for offsite trips to include parent contact details, medical information, and allergies. The act of registering your son/daughters for an activity/workshop/package/work experience on ParentPay, represents consent for your son/daughter to participate in that chosen activity/workshop/package/work experience
9. If you would like further information regarding ParentPay or you encounter any complications please do not hesitate to contact Jamie Vincent, Finance Officer. Card payment can also be made by phoning the College.
10. ParentPay must be used to sign up all students attending **on-site** activities. There will be a nominal charge due to the use of the ParentPay system.

Financial Assistance

If you would like your son/daughter to take part and are currently in receipt of free school meals or pupil premium then we are able to offer you financial assistance. The reduced cost of your son/daughter's potential packages/options will automatically be showing in ParentPay.

Please note that all of the payments are non-refundable. Should you withdraw from the activities/workshops at any point, **no refunds will be made.**

Free Lunches

Those currently receiving free College lunches will have the opportunity to still receive this on **Friday 6 July** (if taking part in the Enrichment Option Day). Please see the reply form below for details.

Questions or Emergency Contact

Please ensure your child speaks to their Tutor to discuss any questions or concerns regarding Enrichment Week.

If there is an **emergency** or you have any **questions** regarding Enrichment Week please contact:
