

Enrichment Week 2018

Year 8

Year 8 Enrichment Week 2018

Ivybridge Community College has supported for the last 10 years the UK Initiative National School Sports Week. For 2018, Ivybridge will be hosting its very own Enrichment Week for Years 7-10.

1. What is Enrichment Week?

While a large proportion of ICC students' time is spent on ensuring their academic success, we also believe in helping students develop their characters; find out more about their interests and passions; and invest in their social, moral and cultural life-skills.

The activities Ivybridge offers in Enrichment Week – including sports, arts, music, community development and work experience – are perfectly placed to support this. They can help improve ICC students' future employability, boost self-confidence, develop leadership skills, instil self-motivation, overcome fears and help them succeed in society. They are also a fantastic way to increase students' enjoyment of College life, creating an inclusive spirit and helping build life-long memories and friendships.

What happens?

During Enrichment Week the normal College timetable is collapsed and students are offered a range of alternative learning experiences and activities outside of the usual curriculum. Activities across year groups, range from creative writing workshops, football sessions, cinema trips and caving to surfing, cheerleading, dance trips to London, and outdoor educational trips to the Ardeche.

2. When is it?

Monday 2 July to Friday 6 July 2018

3. Overview of the Week

Students will receive an Enrichment Week booklet via email, which includes the activities/workshops available to them on each day. The booklet will also be available on the website. Each Year group will follow a different timetable. The activities/workshops are either '**on site**' or '**off site**'.

On-site activities will take place at the College and within College hours. Some will involve a cost. Consent Forms are not required. Students can still access the College canteen during break and lunch times. Students can wear mufti throughout the week; however, students must be in appropriate attire for practical activities. All Year 8 students must register each morning in the **dining hall** if they are taking part in on-site activities.

Off-site activities/workshops take place outside of the College. There will be a cost for each activity to include entrance fee and transport. All parents must consent to off-site trips via ParentPay. All students will be required to bring a packed lunch and drinks. Students must prepare themselves for all weather conditions (additional clothing, water proofs, sun cream, sun hats, and sun glasses).

The Enrichment Week **timetable** will inform students of the following:

- The cost
- Where to meet
- What to wear
- What to bring
- Times of the activities/workshops
- On-site or off-site activities/workshops
- Venue
