Enrichment Programme 2026 - 2027

Enrichment is at the very heart of Ivybridge Community College, woven into all parts of College life and helping to provide a truly rounded educational experience for all students. That is why we are committed to ensuring that the College's Enrichment Programme has and will continue to thrive throughout this academic year.

Where to meet for the enrichment sessions?

All students are to meet at the venue stated on the timetable, for the time allocated and for the specific enrichment activity. The teacher in charge of each enrichment activity will meet and greet all students on arrival to the sessions and provide instructions for where to place bags and personal property.

Student Registration

There is no need for any students to sign up for the enrichment sessions, unless stated otherwise. Simply turn up to the venue as stated on the timetable and your name will be recorded each time you participate.

What to wear and bring?

Students are required to wear PE kit or Academy kit if they are participating in sport and physical activity. Students must ensure they have the correct footwear for their activity and practical space. Classroom-based activities will require students to remain in College uniform. All students must remain smart in their kit and uniform. Please ensure all students have plenty to drink and a small snack for after College.

Sports Academy

Welcome to the Sports Academy

Our vision is to give every child, from Primary right through to Sixth Form, the opportunity to develop their athletic ability, improve their skills and reach their full performance potential. Whether they are joining for grassroots participation or competing at a performance level, we are committed to supporting their journey. We achieve this by providing access to excellent teaching, expert coaching and specialist sports provision, all carefully balanced alongside their academic commitments.

Our Academy Pathways

The Sports Academy comprises the Football Academy, the Gymnastics Academy, and the Rugby Academy. Each provides a clear, structured pathway from Primary School through to our Development and Performance levels.

Please note, a recent update to our terminology: the highest-level athletes within each discipline will now be officially recognised as the Performance Football Squad, Performance Gymnastics Squad, and Performance Rugby Squad.

Our Development Squads are open to all students at Ivybridge Community College. The core purpose of these squads is to encourage active participation, with a strong focus on improving physical fitness, having fun and building social connections. Students who participate in the Development Squads will also have the opportunity to progress and be selected for the Performance Squads. Furthermore, they will have the chance to represent the College in central venue fixtures and festivals as part of the Plymouth Schools Sports Partnership, which coordinates a fantastic range of inter-school sports leagues, festivals and School Games tournaments throughout the year.

Students may participate in these sessions for reasons such as relaxation, competition or personal development. The sessions are not structured or skill based, as the focus is on student participation and enjoyment. Staff will be present at all times for Student Leisure Time. Please see the requirements for each leisure opportunity with regard to footwear and PE kit. In some activities, students are allowed to remain in College uniform and simply change their footwear.
