

Bulletin for Monday, 2 November 2026 – Week 8 B

All Years

- **Telling Culture: Tell – Support – Keep Safe.**

At Ivybridge Community College, everyone has the right to feel safe, respected and supported, both in and out of College. If something is worrying you, or if you are concerned about the safety or wellbeing of another student, tell someone. Our Ivybridge Telling Culture encourages all students to speak up when something does not feel right. No concern is too small and you will always be listened to. You can talk to a member of our Safeguarding Team (staff wearing yellow lanyards), your Tutor, Pastoral Leader, or any trusted adult in College.

Remember:

Tell - Share your concerns with a trusted adult.

Support - We will listen and help you get the support you need.

Keep Safe - Looking after yourself and others starts with speaking up.

If you are worried about yourself or someone else, do not keep it to yourself.
