Harford Road
Ivybridge

12th January 2016

Dear Staff and Students

Christmas Day Lunch

A belated thank you for all the generous gifts that you collected for people who attend our Christmas Day party.

As you know we could not offer this event to residents without the support for those who donate and volunteers on the day, but you will see from the comments below from one guest on the day that it is hugely appreciated:

"It was a really excellent event and I am so grateful to have been allowed to be part of it. You thought of everything - the delicious meal, the games and raffle, Father Christmas with presents for everyone, the lovely song recital etc and the fitting finale of the Queen's speech.

I am amazed at the kindness of so many who were prepared to give up their Christmas Day to make it all possible."

Another guest said "From someone, newly widowed and alone, it was truly Christmas and much appreciated. An event of which Ivybridge can be very proud."

Thank you once to Ivybridge Community College for organising this and giving so generously to enable people to share in the festive occasion, who would otherwise have a very lonely Christmas Day.

Yours sincerely

Mrs Lesley Hughes
Town Clerk
