

19 July 2019

Dear Parents/Carers

It is with great delight that I share with you news of our Diamond Jubilee Celebrations, which marks 60 years of educational excellence here at Ivybridge Community College. It is fascinating to see the growth of the College's physical site over this period, as well as recognising the transformation of the educational landscape and the impact it has on our students' lives.

This year has seen a continuation of the wealth of opportunities available for our students and I wish to draw your attention to the summer edition of the College Echo which can be found on our website.

We are proud to announce that this term we have achieved reaccreditation as a World Class School and we now hold the accolade of being the only school in the South West of England, for the fourth consecutive year, to hold this prestigious award.

Most recently, the College was invited to participate in a national conference, which has led to us becoming a member of the Association for Character Education. This is fantastic news and it will enable us to continue to champion the work we do on developing the whole child.

Our commitment and drive to further develop and strengthen pastoral care at the College has resulted in the introduction next term of full-time Pastoral Leaders for each Year Group. Therefore, this will further enhance our provision in this area.

We hope that you found your child's End of Year Report helpful and informative. Please do not hesitate to contact the Sixth Form Team if you have any queries.

Finally, may I wish you all a very happy and restful summer holiday and I look forward to meeting the students on their return in September.

Yours faithfully

Rachel Hutchinson
Principal
