

University Destinations 2019

We are extremely proud of our students and their future pathways. We recognise the hard work and commitment of the students throughout their time in the Sixth Form, which has enabled them to successfully move on to the next stage in their lives. Those bound for university have once again gone on to study a wide range of courses at institutions across the country. Below is a list of our university destinations and courses from 2019, for your information.
