Dear Parent/Carer

Re: AlterEgo Creative Solutions Production – Tuesday, 11 February 2020

We are hosting a theatre production to the whole of Year 9 on Tuesday, 11 February 2020 relating to County Lines and Child Criminal Exploitation.

The production is going to be delivered by AlterEgo Creative Solutions and is specifically targeted to students living within our community. The content of the production compliments our CPSHE curriculum that we currently deliver.

This production has been funded by the South Devon and Dartmoor Community Safety Partnership.

During the time of the production, we will welcome representatives from Young Devon as well as Devon and Cornwall Police.

In addition to the session delivered to students, there will be an open session extended to any parents within the community starting at 5.00pm in the Performance Hall.

Yours faithfully

Claire Warne
Associate Leader
