Dear Parent/Carer

As our Year 11 students reach the end of their mock examinations and the Spring Term draws to a close, I would like to thank you for your support and especially during such unprecedented times.

In order to ensure that time is best spent whilst in College to support Year 11, we have adjusted the mock examinations scheduled for Friday afternoon in order that coursework in key subjects can be completed. We would like to assure you that the Languages Department are confident that they have sufficient data from all examinations completed so far in order to secure an accurate prediction in this area.

### **Stay safe and consider the local community**

We believe it is our duty of care to remind students that they remain responsible for their behaviour and how they conduct themselves outside of College. The College has received notification today that some of our Year 11 students are considering a social gathering on Mothecombe beach. Please ensure your child remains safe and we strongly advise that they adhere to the government advice that everyone should be carrying out social distancing and avoiding unnecessary contact with other people. We have also been advised that there will be a police presence this evening to ensure no social gatherings take place.

Yours faithfully

Rachel Hutchinson
