

27 March 2020

Dear Parents and Carers

Stay at home. Save lives. Anyone can spread coronavirus

We ask all our parents and carers to remind and re-enforce the U.K. government's message with our students at home.

#StayHomeSaveLives

We must all do our bit to fight coronavirus. Stay at home. Protect the NHS. Save lives.

Do not meet up with people you do not live with. This is for everyone's safety.

Do not meet up with family members from outside of your household. This is for everyone's safety.

We know they will want to go out and meet their friends and this is incredibly hard for all of us, especially with the spring weather.

This is what we can all say at this time:

- We are staying in so we can go back out
- We're staying apart so we can get back together

Don't put lives at risk. Follow the rules. Stay at home.

#StayHomeSaveLives

Weekly Bulletin

The relevant Academic Performance Leader for your child will be sending them a weekly bulletin via their College email, commencing on Monday, 30 March 2020, and will then send it weekly (at the end of the week) during term time.

The purpose of the weekly bulletin is to keep our students updated during the COVID 19 closure period; any advice updates from the government, their home learning, well-being and any relevant information for their specific year group.

Thank you for your ongoing messages of support and best wishes to our staff for the work they are doing supporting children with work at home and supervising the children of key workers in College.

It is times like these that working together is imperative. Like you we want the best for your child and it really makes the difference to know we are working together so all our hardships now are for a better and happier tomorrow.

Many thanks for your understanding during these challenging times.

Please stay safe and take care.

Best wishes

Rachel Hutchinson
Principal
