

Train to Teach Taster Morning

SECONDARY EDUCATION

09.00am -1.00pm Thursday 2 March Ivybridge Community College

Is this event for me ?

If you are a graduate looking to train or an experienced professional looking for a change of career our Taster Day can provide you with all the information that you might need to help you make your future teaching career decisions.

If you are looking to teach any of the following subjects then our Taster Morning is for you:

- English Languages
- Maths Science (Chemistry / Physics)

It will give you an insight into being in the classroom and what the training product will look like.

Come along to find out more and take your first steps into teaching!

What can I expect ?

Our Training Provider will be available to talk through the product and the course.

There will be chance to discuss how you move forward with your application process.

Also a chance to be part of a lesson in the College through our learning walks section of the programme.
