

Ivybridge Community College

Year 7 Weekly Bulletin

Edition 4: Friday, 1 May 2020

COVID 19 Update

A clear message for me when watching the news is that we must remain patient and continue to follow the guidance from the government to stay home and stay safe.

Don't forget to contact the College on year7support@ivybridge.devon.sch.uk if you would like to share any concerns or need some advice on a particular matter.

Wellbeing

Your wellbeing is very important to us at Ivybridge Community College and we encourage you to take time every day to check that you are ok. Make sure you continue to talk to friends and family about any concerns you have.

Take a look at the video below for some wellbeing ideas:

<https://web.microsoftstream.com/video/9c8049e9-a64e-402a-99fc-740fb75d4030>

Please take some time to complete the student wellbeing self-assessment within the link below and find some useful tips to help you. This link contains some guidance on keeping a healthy mind!

Home Learning

The start of the Summer Term means it is really important to get into a routine with focused Bedrock Home Learning. If you keep up your learning at home it will help ensure you have a great return to College when the closure ends. You should be continuing to do two 30 minute lessons a week to maintain optimum progress.

Your English teacher will be monitoring your usage and progress through your dashboard and weekly emails. Praise points will be given to students completing four lessons and above each week.

Emails will go out to students who are not completing the required number of lessons to ascertain the reasons why and see how we as a department and as a College can best support you to ensure you are keeping up with your Bedrock journey.

If you are experiencing technical problems with Bedrock or any general queries please email me and/or Miss Sheridan at:

lsheridan@ivybridge.devon.sch.uk and we will help to support you to continue your valuable lesson.

KITE Quiz

Last week's Year 7 answers:

1. English: An epistolary is a literary work in the form of letters.
2. Mathematics: BIDMAS stands for 'Brackets, Indices, Division, Multiplication, Addition and Subtraction'.
3. Science: A habitat is a natural home or environment of an animal, plant or other organism.
4. Art: Parallel lines are two lines that are always the same distance apart and never touch.
5. Geography: The equator is an imaginary line around the middle of the Earth, equal distance from the North and South poles.

This week's Year 7 questions:

1. English: What is an elegy?
2. Mathematics: What does LCM stand for?
3. Science: What is the umbilical cord?
4. History: What is a monarch?
5. ICT: What does copyright mean?

Year 7 Core subjects' next deadline to submit work is Wednesday, 13 May.

Edition 4: Friday, 1 May 2020

Competition

Congratulations to Chloe Jones 7HVS for her winning acrostic poem. Well done to everyone else for your wonderful work.

Your competition this week is a physical one. You will need to plan and complete a mini work out that gets the heart beat racing and your muscles working. Will you be focussing on upper or lower body or will it be a full body workout? Is it suitable for all ages or just young adults?

Send me a copy of your workout and some photographs of you completing it to eshore@ivybridge.devon.sch.uk

The deadline is Tuesday, 5 May 2020.

BE SMART AND STAY ACTIVE
