

Week commencing: Monday, 18 May 2020

The tasks highlighted in yellow are the ones we really want you to focus on each week. For the other areas, do what you can but please don't worry. Your wellbeing is the most important thing at this time! Further details for every subject are on your epraise. If you are unsure about anything, please email your subject teacher or the support email: year7support@ivybridge.devon.sch.uk.

| <p style="text-align: center;">Mathematics</p> <p>Task 1: Complete your SPARX compulsory homework by Wednesday, 20 May. Task 2: On Wednesday, 20 May you will receive a link on epraise to a video of an Ivybridge Community College teacher covering the next topic/objective. Watch the video and complete the next SPARX compulsory tasks (deadline Wednesday, 27 May). Task 3: On Wednesday, 20 May you will also receive, via epraise, a retention worksheet. This is for you to keep up to date with your previous learning (deadline Wednesday, 27 May). Answers to these retention tasks are also being uploaded to epraise on the due date. Please use the new KS3 Padlet for further challenges and support www.padlet.com/ks3iccmaths</p> | <p style="text-align: center;">English</p> <p>Starting on Wednesday, 20 May, work through Transformations Week 4 Booklet (lessons 10-13). If you are finding it difficult to get everything completed, choose 2 of the lessons to complete instead of 4. Your teacher will email you the booklet with the links to videos on Microsoft Stream. These videos are there to support your understanding of the tasks and texts. Submission Task: Submit your 3 Haiku poems (Week 3 booklet- page 9). Deadline- 3.6.20 Remember to keep completing your Bedrock lessons.</p> | <p style="text-align: center;">Science</p> <p>Using the "Year 7 Space Work" sheet on epraise, find out about some of the planets in our Solar System. Hopefully you will be inspired to try some of the optional activities that are also on epraise. From Wednesday, you will also find a link to a form on ePraise that will be sent to your teacher to allow them to see how you are managing with the work.</p> |
| <p style="text-align: center;">History</p> <p>This week please create fact files about Mary I. There is also an optional stretch it activity for those who have completed the tasks. Stretch it: Does Mary I deserve to be called bloody? The supporting document for an optional stretch it activity can be found in Handouts, Moodle (History, Key Stage 3) and instructions will be on epraise.</p> | <p style="text-align: center;">Geography</p> <p>This week in Geography, you will be completing the lesson "What are the local problems with plastic?". This will build on your learning in the past two weeks about the problems with plastics and why we use them. This will be saved in Handouts with Miss Richardson explaining the lesson over audio.</p> | <p style="text-align: center;">Modern Foreign Languages</p> <p>This week you will be continuing your retrieval booklets on Free Time. These can be found in handouts along with a PowerPoint explaining which activities you need to do. Check epraise for full instructions as to how to find the booklets and links to optional activities to stretch yourself.</p> |
| <p style="text-align: center;">Art</p> <p>Artist Research page continued - as set on epraise. Try to read as much about the artist as you can online before you answer the questions and present your work creatively, either on paper or as a digital presentation using word or power point. Once you have completed the work it should now be uploaded on epraise rather than emailed to teachers.</p> | <p style="text-align: center;">Drama</p> <p>Each Week A Monday (so, every fortnight), you will be set a suite of 3 tasks for Drama. The first task is in the style of a Silent Starter, and is a simple knowledge retrieval task. The second task will be a question or task that asks you to apply your learning. The third task is an optional extension, intended for those who would like to complete it, or for GCSE-minded students. It is a creative task, with a variety of ways in which it can be completed. Project 3 is all about Marking the Moment. Please see epraise for details of the tasks.</p> | <p style="text-align: center;">Music</p> <p>This week, you will travel to China on your 'Rhythms of The World' World Music Passport. Download Lesson 3 (China) booklet from epraise and fill this in following the instructions and QR codes to web links within the booklet. Upload your completed booklet to Classwork (full instructions for this are on epraise).</p> |

| <p style="text-align: center;">Religious Studies</p> <p>This week's work is to make sure your Spirited Arts work is completed. Then complete another 20 mins on your booklet on Sikhism. You do not need to finish it completely. If you have not found the booklet it is in Handouts and on epraise.</p> | <p style="text-align: center;">ICT</p> <p>Work through the Year 7 ICT and Computer Science = ICT and Technology Workbook set on the VLE here: http://vle.ivybridge.devon.sch.uk/course/view.php?id=325 Instructions will be on epraise</p> | <p style="text-align: center;">PE</p> <p>This week is Speed Challenge Week. The challenge has been set on epraise and is all related to speed and sprinting. Remember to send all information to your teachers by saving the work in the folders on the system.</p> |
| <p style="text-align: center;">Design Technology/Food Tech</p> <p>This week, the challenge is to design a Seasonal Summer Pizza or Open sandwich. The pizza/sandwich must take into consideration seasonal ingredients & how it might look. (Your design could be a large family pizza to share, mini pizza's suitable for younger appeal or a themed shaped design?) Please draw up your design, or you could even make it? Please visit the D&T section of Moodle for more in-depth guidance.</p> | <p style="text-align: center;">Enrichment</p> <p>You have been emailed a bulletin packed full of enrichment ideas. It is also on our College website. Enjoy!</p> | <p style="text-align: center;">KITE</p> <p>Choose a subject and re-visit the KITE page. What key terms can you learn using the self-testing toolkit? Don't forget your weekly KITE quiz will be in the APL bulletin. Good luck!</p> |
