

Week commencing: Monday, 18 May 2020

The tasks highlighted in yellow are the ones we really want you to focus on each week. For the other areas, do what you can but please don't worry. Your wellbeing is the most important thing at this time! Further details for every subject are on your epraise. If you are unsure about anything, please email your subject teacher or the support email: year9support@ivybridge.devon.sch.uk.

Year 9 Weekly Menu

<p style="text-align: center;">Maths</p> <p>Task One: Complete the 'retention' sheet which is on epraise. Do the workings and answers in your book or on paper and keep it safe until Friday. On Friday the answers will be put on epraise for you to self mark. Task two: Watch the video which an Ivybridge Community College Maths teacher has recorded for you and then go to Mathswatch and complete the questions on there. If you wish to do more maths then use Mathswatch or go to https://padlet.com/ICCMaths</p>	<p style="text-align: center;">English</p> <p>Continue working on your 'Romeo and Juliet' project. This week, complete Booklet 2 (pages 10-14). You have been emailed the booklet and it is also saved in Handouts. Your teacher will also email you with extension tasks and links to some videos on Microsoft Stream. These videos will help support your understanding of the text and the tasks. Submission Task: Booklet 2 Page 14- the Summary of Act 1 tasks. The deadline for this page of work is 22 May 2020.</p>	<p style="text-align: center;">Biology</p> <p>Please use the Everlearner to watch a video on Viral diseases and complete the test. Remember to repeat the tests until you are happy with your scores. Please also use The Everlearner to revise past topics (see the video I recently sent out).</p>
<p style="text-align: center;">Chemistry</p> <p>Please use the Everlearner to watch a video on Neutralisation and complete the test. Remember to repeat the tests until you are happy with your scores. Please also use The Everlearner to revise past topics (see the video I recently sent out).</p>	<p style="text-align: center;">Physics</p> <p>Please use the Everlearner to watch a video on Electricity in the Home and complete the test. Remember to repeat the tests until you are happy with your scores. Please also use The Everlearner to revise past topics (see the video I recently sent out).</p>	<p style="text-align: center;">Combined Sciences</p> <p>Please use The Everlearner to watch videos on CV Disease, Neutralisation and Kinetic and Potential Energy (this last one is revision of previous knowledge) and complete the associated tests or checkpoints. Remember to repeat the tests until you are happy with your scores. Please also use The Everlearner to revise past topics (see the video I recently sent out).</p>
<p style="text-align: center;">Art and Design</p> <p>You have been set weekly tasks via epraise with staggered submission dates. Your teachers have sent you an email to explain how to submit your work digitally via 'classwork'. Please save your work in your named folder, your work should be labelled as the task title e.g. extended patten. In the 'class' folder you will also have extension tasks which are optional stretch activities, these can be submitted as part of your coursework marks and can gain you extra marks if undertaken skillfully.</p>	<p style="text-align: center;">Business Studies</p> <p>DIRT Time on Liability and Ownership using the Sreams clips. Look through the Location booklet and answer the 3 questions on the final page. (The 9 marker is a challenge task) Email your answers to your teacher.</p>	<p style="text-align: center;">Economics</p> <p>DIRT time on the Labour Market and Financial Markets tasks using the sample answers emailed. Look through the history of money and complete the Labour Market recall tasks.</p>

<p style="text-align: center;">Computer Science</p> <p>Work through the 1.5 Network topologies, protocols and layers unit on the VLE here http://vle.ivybridge.devon.sch.uk/course/view.php?id=303 and use the Craig n Dave video playlist from here https://www.youtube.com/playlist?list=PLCiOXwirraUCzDEOPQiBSLIPTkDfFBiOO</p>	<p style="text-align: center;">Design Technology</p> <p>This week we return to a theory based task. Visit the D&T section of Moodle on the College website to find two worksheets on timbers and their working properties.</p>	<p style="text-align: center;">Dance</p> <p>Task 1 - Practical Learn three more motifs using your peers material from the classwork folder. Combine all motifs together to essentially create a short solo performance.</p> <p>Task 2 – Theory Complete the production features revision sheet.</p> <p>Task 3 – Practical Learn Breathe for your Solo performance of the set phrases.</p>
<p style="text-align: center;">Drama</p> <p>Finer details are on epraise. Using the PowerPoint “Potential Warm-Ups” saved in Classworks, watch the Spymonkey video hyperlinked on slide 6. Your task is to invent your own original rehearsal technique. Create a set of instructions laid out in a simple PowerPoint presentation (if possible) for how your rehearsal technique will work in practice. EXTENSION: Conduct your rehearsal technique at home, video it in action, and upload to Classworks. On your PowerPoint, include an additional slide with a brief evaluation of www and ebi.</p>	<p style="text-align: center;">Fashion and Textiles</p> <p>Plastic fusion samples. This week students should experiment with the techniques plastic fusion. All instructions are uploaded to Microsoft Teams. Files > Week 3 task. Look at examples in PowerPoint to give you inspiration before you start planning designs for your own samples. Remember our project theme is Urban Architecture. In your sketchbooks: Reference the textiles artists, with a step by step guide and your own samples. Tasks that should be completed in your Urban Architecture sketch book: 1. Book cover or title page 2. Mood board 3. Artist reference 4. plastic fusion.</p>	<p style="text-align: center;">Food and Nutrition</p> <p>This week we return to a theory based task. Visit the D&T section of Moodle on the College website- KS4 Food Prep & Nutrition to find a PowerPoint presentation and worksheet for Hydration.</p>
<p style="text-align: center;">Geography</p> <p>This week you will be learning about the physical characteristics of tropical rainforests. Work is set on epraise and PowerPoints can be found in Handouts. Electronic versions of the textbook and revision guide are also available in Handouts to support your learning. Each PowerPoint will have a teacher explaining the tasks to you. Once you have completed the tasks you will need to answer the review questions. Save a copy/photo of your answers in the Classwork file on Foldr and include your name in the title.</p>	<p style="text-align: center;">Health and Social Care</p> <p>Continuing with Component 2 Learning Aim B: Continue working on your care values booklet using pages 11-12 to explore what is meant by confidentiality, why this is important and how practitioners can demonstrate this care value.</p>	<p style="text-align: center;">History</p> <p>This week please continue to work through the tasks set on the Rebellion in the East. These are embedded in the PowerPoint available through Microsoft Streams, Moodle and Handouts. If you wish to complete a stretch it task please read through the BBC Bitesize OCR B History pages about the rebellions and complete the online tests/ quizzes. http://www.bbc.co.uk/bitesize/guides/zsb7rd/revision/2 Or create your own revision flash cards using your notes so far or the Norman Conquest revision booklet that can be found in Handouts and Moodle. Please upload you work to your classwork file in the folder, if this is not possible please contact your class teacher via email.</p>

<p align="center">Information Technology (ICT)</p> <p>Work through the tasks on the VLE course "Creative iMedia Summer 2020 Home Learning" here http://vle.ivybridge.devon.sch.uk/course/view.php?id=413 You cannot work on your coursework at home, so these tasks focus upon the exam unit R081</p>	<p align="center">Media Studies</p> <p>MR CLEMOW'S CLASS: There are new additional audience activities - a Word document has been emailed to you. You need to complete the audience PowerPoint and then move onto the activities outlined on the Word document. These are based around the BBC Bitesize material on audiences. There is also extension work for those of you who would like to use it. REDHEAD'S CLASS: Continue with the audience presentation https://foldr.ivybridge.devon.sch.uk/home/files/Classwork/2017/Media</p>	<p align="center">French</p> <p>This week you will be continuing your topic booklets on School. These can be found in Handouts along with a PowerPoint explaining what you need to do. Full instructions as to how to find the booklets and where to save your work is on epraise. Please also check your emails to find details of your Microsoft Teams speaking session with your teacher.</p>
<p align="center">Spanish</p> <p>This week you will be continuing your topic booklets on School. These can be found in Handouts along with a PowerPoint explaining what you need to do. Full instructions as to how to find the booklets and where to save your work is on epraise. Please also check your emails to find details of your Microsoft Teams speaking session with your teacher.</p>	<p align="center">Music</p> <p>Complete (1) AOS5: research-based booklet task and (2) practical task (performance).
