

Week commencing: Monday, 8 June 2020

The areas highlighted in yellow are your core subjects and there are set tasks to submit every fortnight. Please do what you can from your other subject areas as these are important too. Please don't worry if you can't complete all of the work; your wellbeing is the most important thing at this time! Further details for every subject are on your epraise. If you are unsure about anything, please email your subject teacher or the support email: year7support@ivybridge.devon.sch.uk.

Year 7 Weekly Menu

<p style="text-align: center;">Mathematics</p> <p>Task 1: Complete your SPARX compulsory homework by Wednesday, 10 June.</p> <p>Task 2: On Wednesday, 10 June you will receive a link on epraise to a video of an Ivybridge Community College teacher covering the next topic/objective. Watch the video and complete the next SPARX compulsory tasks (deadline Wednesday, 17 June).</p> <p>Task 3: On Wednesday, 10 June you will also receive, via epraise, a retention worksheet. This is for you to keep up to date with your previous learning (deadline Wednesday, 17 June). Answers to these retention tasks are also being uploaded to epraise on the due date. Please use the new KS3 Padlet for further challenges and support www.padlet.com/ks3iccmaths</p>	<p style="text-align: center;">English</p> <p>Your English work will be set on epraise on Wednesday, 10 June. Complete Transformations Booklet - Week 6. (Lessons 16-18.) Your teacher will email you the booklet and links to videos on Stream that will help you. The Submission Task is your Hot Task (pg 7 of Week 6 booklet). It can be handwritten or typed. It is due in on Wednesday, 17 June. Remember to complete 2 lessons on Bedrock Vocabulary. Email your teacher if you need more help.</p>	<p style="text-align: center;">Science</p> <p>Continue to work through the work that was set on epraise on Wednesday, 3 June. Using the "Year 7 Chemical Reactions" sheet on epraise, find out how chemical reactions occur and how we know when they are happening. Hopefully you will be inspired to try some of the optional activities. On Wednesday, 10 June you will be set a Microsoft Form to complete that will be sent to your teachers so they can see how you are managing the work.</p>
<p style="text-align: center;">History</p> <p>This week in History, you will be completing a lesson on "What are the differences between Roman Catholic Churches and Protestant churches in the Tudor era?". This will be saved in Handouts, Moodle (History, Key Stage 3) and an explanation will be put on Streams.</p>	<p style="text-align: center;">Geography</p> <p>This week in Geography, you will be completing a lesson introducing you to palm oil and the potential issues it can cause. This will be saved in Handouts with audio to help explain the lesson.</p>	<p style="text-align: center;">Modern Foreign Languages</p> <p>This week you will be continuing your retrieval booklets on Free Time. These can be found in Handouts along with a PowerPoint explaining which activities you need to do. Check epraise for full instructions as to how to find the booklets and links to optional activities to Stretch yourself.</p>
<p style="text-align: center;">Art</p> <p>This week students should focus on observational drawing, the 'Eye drawing' task is set on epraise, the handout can be accessed by clicking on the blue cloud with the white arrow. There are plenty of YouTube clips you can watch just search 'how to draw a realistic eye'. Please upload a photograph of your work to epraise so that your teachers can see the work.</p>	<p style="text-align: center;">Drama</p> <p>Each Week A Monday (so, every fortnight), you will be set three tasks for Drama. The first task is in the style of a Silent Starter and is a simple knowledge retrieval task. The second task will be a question or task that asks you to apply your learning. The third task is an optional extension, intended for those who would like to complete it, or for GCSE-minded students. It is a creative task, with a variety of ways in which it can be completed. Please see epraise for details of the specific tasks for this Project 4.</p>	<p style="text-align: center;">Music</p> <p>This week you will travel to Indonesia on your 'Rhythms of the World' World Music Passport. Download Lesson 4 (Indonesia) booklet from epraise and fill this in following the instructions and QR codes to web links within the booklet. Upload your completed booklet to Classwork (full instructions for this are on epraise).</p>

<p style="text-align: center;">Religious Studies</p> <p>Your Spirited Arts work should now be completed. Then complete your booklet on Sikhism. If you have not found the booklet it is in Handouts and on epraise. There is also a quiz to complete which you will find on epraise.</p>	<p style="text-align: center;">ICT</p> <p>Work through the Year 7 ICT and Computer Science = ICT and Technology Workbook set on the VLE here: http://vle.ivybridge.devon.sch.uk/course/view.php?id=325 Instructions will be on epraise.</p>	<p style="text-align: center;">PE</p> <p>This week's challenge is a revisit of the Circuit training week and all the information and guidance has been posted on epraise. The challenge is to try and beat your previous score and if you didnt complete it before feel free to give it a go.</p>
<p style="text-align: center;">Design Technology/Food Tech</p> <p>This week's challenge is to design a Healthy vending machine for the College Quad area.</p> <ol style="list-style-type: none"> 1. You need to consider the design of the machine and its position. 2. Create a range of healthy savoury items that could be purchased and consider how they might be packaged. 3. Include a range of low sugar drinks/smoothies. 4. Invent two sweet items students could purchase to keep them going!!! <p>Please visit the D&T section of Moodle for more in-depth guidance.</p>	<p style="text-align: center;">Enrichment</p> <p>You have been emailed a bulletin packed full of enrichment ideas. It is also on our College website. Enjoy!</p>	<p style="text-align: center;">KITE</p> <p>Choose a subject and re-visit the KITE page. What key terms can you learn using the self-testing toolkit? Don't forget your weekly KITE quiz will be in the APL bulletin. Good luck!</p>
