

Week commencing: Monday, 8 June 2020

The tasks highlighted in yellow are your core subjects so we recommend you prioritise these areas. You have set tasks to submit every fortnight across all of your subjects. Please don't worry if you can't complete all of the work; your wellbeing is the most important thing at this time! Please keep in touch with your subject teachers and tutor via email so that they can support you. Further details for every subject are on your epraise. If you are unsure about anything, please email your subject teacher or the support email: year9support@ivybridge.devon.sch.uk.

Year 9 Weekly Menu

<p style="text-align: center;">Mathematics</p> <p>Task One: Complete the 'retention' sheet which is on epraise. Do the workings and answers in your book or on paper and keep it safe until Friday. On Friday the answers will be put on epraise for you to self mark.</p> <p>Task Two: Watch the video which an Ivybridge Community College Mathematics teacher has recorded for you and then go to Mathswatch and complete the questions on there. If you wish to do more Maths then use Mathswatch or go to https://padlet.com/ICCMaths</p>	<p style="text-align: center;">English</p> <p>Romeo and Juliet' project. Complete Booklet 3. (Pages 8-17.) Your teacher will email you the booklet and it will be on epraise. To make it easier - just read the extracts and summarise what happens in them. To stretch and challenge - answer the extension questions in the booklet. Submission task: Act 3 Scene 5 Overview Tasks. (Booklet 3- pg 17) Please submit this by 12 June 2020. Email your teacher if you have any questions or need some extra support.</p>	<p style="text-align: center;">Biology</p> <p>Please find the following on the Assignments page of The Everlearner: Fungal Diseases and Protist Diseases video and test. Please also remember to use the Dashboard page to revise previous topics.</p>
<p style="text-align: center;">Chemistry</p> <p>Please find the following on the Assignments page of The Everlearner: Required Practical 2: Titrations video and test. Please also remember to use the Dashboard page to revise previous topics.</p>	<p style="text-align: center;">Physics</p> <p>Please find the following on the Assignments page of The Everlearner: The National Grid video and test. Please also remember to use the Dashboard page to revise previous topics.</p>	<p style="text-align: center;">Combined Sciences</p> <p>This week's learning on The Everlearner is as follows: The Effect of Lifestyle on Non-communicable Diseases video and test; Strong and Weak Acids video and Checkpoint covering the last four lessons and the Power and Work done video and test. Please remember to use The Dashboard page on the Everlearner to revise previous topics too.</p>
<p style="text-align: center;">Art and Design</p> <p>You have been set weekly tasks via epraise with staggered submission dates. Your teachers have sent you an email to explain how to submit your work digitally via 'classwork'. Please save your work in your named folder, your work should be labelled as the task title e.g. extended patten. In the 'class' folder you will also have extension tasks which are optional stretch activities, these can be submitted as part of your coursework marks and can gain you extra marks if undertaken skillfully.</p>	<p style="text-align: center;">Business Studies</p> <ol style="list-style-type: none"> 1. 'Explain one benefit and one disadvantage to an entrepreneur of producing a business plan.' – Look through the word document emailed and make some improvements to your 6 marker. 2. Look through the email attachment PowerPoint on the Marketing Mix and complete the worksheet. 	<p style="text-align: center;">Economics</p> <p>Look through the Production PowerPoint, make notes, answer questions and then complete the worksheet attached to the email and epraise and email it to me by next Monday.</p>

<p style="text-align: center;">Computer Science</p> <p>Work through the 1.5 Network topologies, protocols and layers unit on the VLE here http://vle.ivybridge.devon.sch.uk/course/view.php?id=303</p> <p>and use the Craig n Dave video playlist from here https://www.youtube.com/playlist?list=PLCiOXwirraUCzDEOPQiBSLIPTkDdfBiOO</p> <p>If completed, start on 1.6</p>	<p style="text-align: center;">Design Technology</p> <p>This week we return to a theory based task. Please visit the Design and Technology section of Moodle on the College website to find various documents and worksheets on metals and alloys.</p>	<p style="text-align: center;">Dance</p> <p>Task 1 - Practical Ensure you have handed in your solo performances based on your Anthology Rehearse the Set Phrase 'Breathe' Learn and develop understanding for the Set Phrase 'Shift'.</p> <p>Task 2 – Theory Complete the staging revision sheet Complete the Aural Setting questions marked out of 13 Complete the Costume questions.</p>
<p style="text-align: center;">Drama</p> <p>PROJECT 4: VOCAL STORYTELLING. Select a piece of text that could be from a play, a novel, or a film, as long as it is a passage spoken by only one "voice" or character (and not explicit in content). Your task is to record an audio performance of your chosen text. To accompany this recording, you must produce a character outline and 300-word commentary. Please see finer details on epraise.</p>	<p style="text-align: center;">Fashion and Textiles</p> <p>Critical analysis on Alice Temperley. All information has been set on epraise and sent to you by email. Please read the PowerPoint on Microsoft Teams carefully before starting your critical analysis. Refer back to your PowerPoint to plan the layout and presentation of your page. Please save your work in your named folder, your work should be labelled as the task title.</p>	<p style="text-align: center;">Food and Nutrition</p> <p>This week we return to a theory based task. Visit the Design and Technology section of Moodle on the College website - KS4 Food Prep & Nutrition to find a PowerPoint presentation, quiz/revision cards and worksheet for Food Poisoning. Please email worksheet or photo when completed.</p>
<p style="text-align: center;">Geography</p> <p>This week you will be learning about deforestation in the Amazon Rainforest. Work is set on epraise and PowerPoints can be found in Handouts. Electronic versions of the textbook and revision guide are also available in Handouts to support your learning. Each PowerPoint will have a teacher explaining the tasks to you. Once you have completed the tasks you will need to answer the review questions. Save a copy/photo of your answers in the Classwork file on Foldr and include your name in the title.</p>	<p style="text-align: center;">Health and Social Care</p> <p>Continuing with Component 2 Learning Aim B, this week you will be focusing on another of the care values in depth - effective communication. Please follow the instructions on the PowerPoint and complete the activities in your booklet. All resources will be emailed to you, available on handouts and on epraise.</p>	<p style="text-align: center;">History</p> <p>This week please complete your activities about castles. Work your way through the tasks integrated in the PowerPoint (Y9 1 June to 12 June). The PowerPoint can be found in Moodle, (History, Key Stage 4, Home Learning) and in Handouts, (History, Year 9 Home Learning). Once you have completed the tasks upload your answers to your Classwork file in Foldr. There are optional 'stretch it' tasks saved in Moodle and Handouts as well. You may wish to watch the English Heritage description of the formation of castles: https://www.youtube.com/watch?v=RXXDThkJ3Ew</p>
<p style="text-align: center;">Information Technology (ICT)</p> <p>Work through the tasks on the VLE course "Creative iMedia Summer 2020 Home Learning" here http://vle.ivybridge.devon.sch.uk/course/view.php?id=413</p> <p>You cannot work on your coursework at home, so these tasks focus upon the exam unit R081. You should next be working on the "Exam Practice task"</p>	<p style="text-align: center;">Media Studies</p> <p>Complete the Industry PowerPoint that can be found via your emails and it's also on epraise. Make notes on all of the key concepts and ideas, especially the idea of conglomerates. Within the presentation are a series of activities, complete these to the best of your ability. Once done, move onto this work on INDUSTRIES: https://www.bbc.co.uk/bitesize/guides/zqrdxsg/revision/1</p>	<p style="text-align: center;">French</p> <p>This week you will be need to ensure your topic booklest on Free time is complete. You will also be describing pictures using your PALM cards. Follow the instructions on the calendar for tasks to be submitted and to find the photos. These can be found in Handouts along with a PowerPoint explaining what you need to do. Full instructions as to how to find the booklets and where to save your work is on epraise. Please also check your emails to find details of your weekly Microsoft Teams speaking session with your teacher.</p>

<p style="text-align: center;">Spanish</p> <p>This week you will be completing lesson 12 in your topic booklets on School. These can be found in Handouts along with a PowerPoint explaining what you need to do. Full instructions as to how to find the booklets and where to save your work is on epraise.
