

Week commencing: Monday, 15 June 2020

The areas highlighted in yellow are your core subjects and there are set tasks to submit every fortnight. Please do what you can from your other subject areas as these are important too. Please don't worry if you can't complete all of the work; your wellbeing is the most important thing at this time! Further details for every subject are on your epraise. If you are unsure about anything, please email your subject teacher or the support email: year8support@ivybridge.devon.sch.uk

Year 8 Weekly Menu

<p style="text-align: center;">Mathematics</p> <p>Task 1: Complete your SPARX compulsory homework by Wednesday, 17 June. Task 2: On Wednesday, 17 June you will receive a link on epraise to a video of an Ivybridge Community College teacher covering the next topic/objective. Watch the video and complete the next SPARX compulsory tasks (deadline Wednesday, 24 June). Task 3: On Wednesday, 17 June you will also receive, via epraise, a retention worksheet. This is for you to keep up to date with your previous learning (deadline Wednesday, 24 June). Answers to these retention tasks are also being uploaded to epraise on the due date. Please use the new KS3 Padlet for further challenges and support www.padlet.com/ks3iccmaths</p>	<p style="text-align: center;">English</p> <p>You have now finished your Carnegie Project! Please write up and complete all the tasks neatly - remember to keep your finished work somewhere safe so you can bring it in to school when we return. Your English HL will be set on epraise on Wednesday, 17th June. This week, complete FOUR Bedrock lessons. Your teacher will email you with extension tasks.</p>	<p style="text-align: center;">Science</p> <p>Science work will be set on epraise on Wednesday, 17 June. Using the "Year 8 Evolution" sheet on epraise, find out how living species change over time. Hopefully you will be inspired to try some of the optional activities.</p>
<p style="text-align: center;">History</p> <p>This week in History, you will be completing a lesson on "What are Civil Rights? What discrimination was in America in the early 1900s?". This will be saved in Handouts, Moodle (History, Key Stage 3) and an explanation will be put on Streams.</p>	<p style="text-align: center;">Geography</p> <p>This week in Geography, you will be completing the lesson "Soft Engineering". This lesson looks at what is being done to prevent the erosion process you studied before half term from wearing away the land, using a more natural approach than the man made techniques. This will be saved in Handouts with audio to help explain the lesson.</p>	<p style="text-align: center;">Modern Foreign Languages</p> <p>This week you will be completing your retrieval booklets on Free Time (lesson 9). These can be found in handouts along with a PowerPoint explaining which activities you need to do. Check epraise for full instructions as to how to find the booklets and links to optional activities to Stretch yourself.</p>
<p style="text-align: center;">Art</p> <p>This is the second week of the first two week task set for students who have opted for Art, Photography or Fashion & Textiles at GCSE should complete the subject specific task set on epraise. Students can complete more than one if appropriate. Please upload photographs of your work to epraise so teachers can see your work. (Multiple images will need to be saved in a single word or pp document as only one file can be uploaded) For those of you keen to continue with your Art skills but not opting please feel free to have a go and also see extension tasks on epraise and BBC bitesize Art & design KS3 & 4 for further activities.</p>	<p style="text-align: center;">Drama</p> <p>Each Week A Monday (so, every fortnight), students will be set a suite of 3 tasks for Drama. The first task is in the style of a Silent Starter, and is a simple knowledge retrieval task. The second task will be a question or task that asks students to apply their learning. The third task is an optional extension, intended for those who would like to complete it, or for GCSE-minded students. It is a creative task, with a variety of ways in which it can be completed. Please see ePraise for details of the specific tasks for this Project 4.</p>	<p style="text-align: center;">Music</p> <p>This week, you will travel to Latin America on your 'Rhythms of the World' World Music Passport. TASK 1 – Download Lesson 5 (Latin America) booklet from epraise and fill this in following the instructions and QR codes to web links within the booklet. Upload your completed booklet to Classwork (full instructions for this are on epraise). TASK 2 – Complete a survey (emailed and on epraise). TASK 3 (Optional) – Take part in 'Music Challenge' and Practical Music Workshops via Microsoft Teams (details emailed on epraise).</p>

<p style="text-align: center;">Religious Studies</p> <p>This week please make sure you have completed your Hinduism project. Your next task is to design a Hindu God or Goddess. Follow the tasks set on the PowerPoint - you need to do your design first and complete your planning sheet. All of the information needed is on epraise and in Handouts under RS Year 8 closure work. Your teacher would love to see your design.</p>	<p style="text-align: center;">ICT</p> <p>Work through the Home Learning tasks set on the VLE here: http://vle.ivybridge.devon.sch.uk/course/view.php?id=412 Instructions will be on epraise.</p>	<p style="text-align: center;">PE</p> <p>Continue to revisit the weekly challenges set by the PE department and send your results in to your teachers or save results in the class work folder. Your aim is to try and beat your previous score. There will also be some virtual sessions coming up later this week so look out for these. Epraise will have all the relevant information and will be updated on Monday, 15 June.</p>
<p style="text-align: center;">Design Technology/Food Tech</p> <p>Your challenge is to design your own electric powered vehicle. As electric powered vehicle technology becomes more affordable and compact, young people aged between 12 and 18 years will become a target market for new and innovative personal transport solutions. Your challenge is to design your own electric powered vehicle. Please visit the D&T section of Moodle for more in-depth guidance.</p>	<p style="text-align: center;">Enrichment</p> <p>You have been emailed a bulletin packed full of enrichment ideas. It is also on our College website. Enjoy!</p>	<p style="text-align: center;">KITE</p> <p>Choose a subject and re-visit the KITE page. What key terms can you learn using the self-testing toolkit? Don't forget your weekly KITE quiz will be in the APL Bulletin. Good luck!</p>
