Ivybridge Community College
Year 7 Weekly Bulletin

Edition 10: 19 June 2020

COVID 19 Update

At present the plan is for your Year Group to continue with your home learning. Please make sure that you keep in contact with your Tutor regularly, especially if you are having any issues concerning your work. Don't forget to use the following email too. year7support@ivybridge.devon.sch.uk

If you are planning to meet with your friends please remember the importance of staying 2 metres apart.

Home Learning

YOUR NEXT SUBMISSION DATE IS 1 JULY 1

If you are still having some difficulties submitting your work then it is crucial that you let your Tutor, your teacher or the Key Stage 3 Team know so we can guide you in the correct way.
If you have been sent home some work to complete on paper, then it's very important that you send your teachers a photograph of your work or let them know that what you have completed

Last week's KITE BOOKLET YEAR 7 ANSWERS

Wellbeing

This week, I would like to direct you towards a competition, that will hopefully, get us all thinking about our world post COVID-19. A world that we have the power and opportunity to create and change.

Visions of a world after COVID-19

DAVID S. GOODSELL

What's your vision for the world after coronavirus?

The COVID-19 pandemic raises many questions about how our societies are organised, and how public health challenges can be tackled. As governments struggle to protect lives and keep our economies afloat, ambitious ideas that once seemed improbable have suddenly become surprisingly plausible.

Go to https://www.opendemocracy.net/en/world-after-covid/ for more information about how to enter.

Competition

This week I am going to give you a selection of questions that I would like you to try and answer. Don't worry, I will share the correct answers with you next week ☺ Well done to all the students who are entering the competition…..your answers are fantastic!

1. How high can a puma leap?
2. Which 3 sports do teams have to move backwards to win?
3. What is the heaviest organ in the body?
4. In what year did the first face transplant happen?

Last week's answers

1. How many teeth does a bear have? 42
2. In which country did the first supermarket open? France
3. How many hours in one day does a gorilla normally sleep? Up to14 hours a day
4. Dartboards are made out of horsehair- TRUE OR FALSE? True

Virtual Assembly and Tutor Team meeting

I do hope that you all managed to watch the Assembly on Monday and that you were able to join your Tutor and your friends in your very first Tutor team meeting. Your Tutors were very excited to be able to hold this meeting to ensure that you stay connected with your friends and the College. As I mentioned in the Assembly, we all need to be resilient and try to stay focused during these challenging times. Keep in touch with us so you can feel supported.

Your next Assembly will be on Monday, 29 June and your next Tutor Team meeting will be held between 30 June – 3 July.
