

Week commencing: Monday, 29 June 2020

The tasks highlighted in yellow are your core subjects so we recommend you prioritise these areas. You have set tasks to submit every fortnight across all of your subjects. Please don't worry if you can't complete all of the work; your wellbeing is the most important thing at this time! Please keep in touch with your subject teachers and tutor via email so that they can support you. Further details for every subject are on your epraise. If you are unsure about anything, please email your subject teacher or the support email: year9support@ivybridge.devon.sch.uk

Year 9 Weekly Menu

Please remember you can also use the Dashboard page of The Everlearner to revise past learning to help embed it into your long term memory.</p> | <p style="text-align: center;">Physics</p> <p>Please complete the following tasks on The EverLearner, finding them on the Assignments page: Changes of State and Internal Energy Video and Test. Please remember you can also use the Dashboard page of The Everlearner to revise past learning to help embed it into your long term memory.</p> | <p style="text-align: center;">Combined Sciences</p> <p>Please complete the following tasks on The EverLearner, finding them on the Assignments page: The Transpiration Stream Video and Test, Required Practical 3: Electrolysis of Aqueous Solutions Video, Checkpoint 7: Electrolysis and the Energy Transfers Video and Test. Please remember you can also use the Dashboard page of The Everlearner to revise past learning to help embed it into your long term memory.</p> |
| <p style="text-align: center;">Art and Design</p> <p>You have been set weekly tasks via epraise with staggered submission dates. Your teachers have sent you an email to explain how to submit your work digitally via 'classwork'. Please save your work in your named folder, your work should be labelled as the task title e.g. extended patten. In the 'class' folder you will also have extension tasks which are optional stretch activities, these can be submitted as part of your coursework marks and can gain you extra marks if undertaken skillfully.</p> | <p style="text-align: center;">Business Studies</p> <p>Self-mark your diagnostic assessment task from last week using the answers emailed to you by your teacher. Complete the Personal learning checklist for Theme 1. Rate your confidence for each section from 1.1 to 1.4 and email this to your teacher. Look through the 1.5 PowerPoint based upon Stakeholders. Answer the 3 mark question at the end and email it to your teacher once you have tried to self-mark it.</p> | <p style="text-align: center;">Economics</p> <p>Unit 1 Revision - You have a range of strategies to use. Using SENECA, your exercise book, a textbook/revision guide (if you have one), there are PDF documents in Handouts which cover the Unit. Please revise everything you have covered so far this year. You have 2 weeks to look through this information and create some revision notes/cue cards/mindmaps or any revision aid of your choice - remember your self testing toolkit.</p> |

Virtual sessions have been organised by your teachers and details with times have been emailed to you.</p> | <p style="text-align: center;">Religious Studies</p> <p>This week you need to continue to work on your Christian Practices workbook using the information book. These can all be found in Handouts under Year 9 closure work. Complete page 25 based on pilgrimage. This requires you to write a 12 mark essay on what you have learnt on pilgrimage. Then complete page 27 to start festivals. When it is complete tick it off in epraise. Essays need to come to us for marking.</p> | <p style="text-align: center;">Sociology</p> <p>Continue with the work set on the sociology of the family - this week you will be focusing on parent and child relationships. Use the instructions on the PowerPoint to workthrough the workbook. Any concerns please email your class teacher :)</p> |

NCFE Health and Fitness

Following your end of topic assessment last week you will be moving on to revise the topics of Principles of Training including SPORT, FITT and methods of training. There will be a Q and A session this week and your teacher will email out the time for this. There will be multiple revision tasks sent to you via email and uploaded to epraise. These will also be uploaded into Classwork.

Enrichment

You have been emailed a bulletin packed full of enrichment ideas. It is also on our College website. Enjoy!

KITE

Choose a subject and re-visit the KITE page. What key terms can you learn using the self-testing toolkit? Don't forget your weekly KITE quiz will be in the Academic Performance Leader Bulletin. Good luck!
