

Week commencing: Monday, 13 July 2020

The areas highlighted in yellow are your core subjects and there are set tasks to submit every fortnight. Please do what you can from your other subject areas as these are important too. Please don't worry if you can't complete all of the work; your wellbeing is the most important thing at this time! Further details for every subject are on your epraise. If you are unsure about anything, please email your subject teacher or the support email: [year8support@ivybridge.devon.sch.uk](mailto:year8support@ivybridge.devon.sch.uk).

### Year 8 Weekly Menu

<p style="text-align: center;"><b>Mathematics</b></p> <p><b>Task one:</b> Complete the 'retention' sheet which is on epraise. PLEASE JOIN OUR 'LIVE SESSION' - we are piloting live marking of the retention task followed by a Q and A session. This will be on Wednesday, 15 July at 2pm via TEAMS for approximately 30 - 40 minutes.</p> <p><b>Task two:</b> Watch the video which an Ivybridge Community College Mathematics teacher has recorded for you and then go to SPARX and complete the questions on there.</p>	<p style="text-align: center;"><b>English</b></p> <p>Final English task of the year! Please write a formal letter to your new English teacher. The video, going through the task in the live lesson on Friday, 10 July is available to watch on Microsoft Stream. Your teacher will send you a link to the video and a PowerPoint to support your writing. You can handwrite or type your letter and then either upload a document or a photograph of your letter to your class folder in Classwork. Please submit your letter by Friday, 17 July.</p>	<p style="text-align: center;"><b>Science</b></p> <p>Continue to work on your Alternative Energy work and if you would like to assess your learning, complete the energy quiz that was posted on epraise last week. We will post the mark scheme on Thursday if you would like to self-assess your work. You will be emailed a link to a video to explain the Alternative Energy work.</p>
<p style="text-align: center;"><b>History</b></p> <p>This week in History, you will be completing a lesson on "How much progress had been made in improving the lives of African Americans by 1970?" This will be saved in Handouts, Moodle (History, Key Stage 3) and an explanation will be put on Streams.</p>	<p style="text-align: center;"><b>Geography</b></p> <p>This week in Geography your learning will continue to focus on Ocean plastics. You will now look at the larger picture to focus on our plastic problem on a global scale (Lesson 10). You will find the lesson in Handouts&gt;Geography&gt;Year 8&gt; Summer Term - Moor to Sea. There will also be a Q&amp;A session on Microsoft Teams, any questions you'd like to ask can be emailed to Mrs Aldridge.</p>	<p style="text-align: center;"><b>Modern Foreign Languages</b></p> <p>Year 8: <b>FRENCH:</b> This week we are going to practise the topic of "my environment". Go to Linguascope.com (username: Ivybridge password: 20twenty), click on "beginner" and on the small French flag. Over the next week, please, spend twenty minutes twice a week on the activities in "Le monde du travail". Bon Courage!</p> <p><b>SPANISH:</b> This week we are going to practise the topic of "my environment". Go to Linguascope.com (username: Ivybridge password: 20twenty), click on "beginner" and on the small Spanish flag. Over the next week, please, spend twenty minutes twice a week on the activities in "El mundo del trabajo". Buena suerte!</p>

<p style="text-align: center;"><b>Art</b></p> <p>This is the second week of task 3 set for students who have opted for Art, Photography or Fashion and Textiles at GCSE. Students should complete the subject specific task set on epraise. Students can complete more than one option task if appropriate. Please upload photographs of your work to epraise so that teachers can see your work. (Multiple images will need to be saved in a single word or PowerPoint document and as a pdf as only one file can be uploaded) Please don't worry if you are later than the deadlines on epraise. For those of you keen to continue with your Art skills but not opting please feel free to have a go and also see extension tasks on epraise and BBC bitesize Art and Design KS3 &amp; 4 for further activities.</p>	<p style="text-align: center;"><b>Drama</b></p> <p>Continue working on Project 6 if not yet completed, and submit on Classwork in the normal way. Remember, please do NOT email your work to your teacher. In addition, please complete the MS Form "KS3 Drama Student Voice" following the link provided to you via email.</p>	<p style="text-align: center;"><b>Music</b></p> <p>Complete Project 6 by Wednesday, 15 July (same as weeks 9 and 10). Home Learning: Complete all tasks set on epraise (also emailed to you). Stretch It: Complete tasks for either of these workshops: Keyboard and Piano, Singing and Ukulele. If you have signed up for any of these workshops, you should have been added to a Microsoft Team. Any issues, please email <a href="mailto:kpadlyevska@ivybridge.devon.sch.uk">kpadlyevska@ivybridge.devon.sch.uk</a></p>
<p style="text-align: center;"><b>Religious Studies</b></p> <p>Complete the cryptogram on Hinduism. This will bring together all of the work that you have been completing on the Hindu religion. Make sure you add that you have completed it to epraise.</p>	<p style="text-align: center;"><b>ICT</b></p> <p>Work through the Home Learning tasks set on the VLE here: <a href="http://vle.ivybridge.devon.sch.uk/course/view.php?id=412">http://vle.ivybridge.devon.sch.uk/course/view.php?id=412</a> Instructions will be on epraise</p>	<p style="text-align: center;"><b>PE</b></p> <p>This week's challenge is the speed challenge. Please revisit this challenge which has been set on epraise. Your aim is to complete the challenge or improve on your previous score.</p>
<p style="text-align: center;"><b>Design Technology/Food Tech</b></p> <p>Our final design challenge of this year requires you to get 'hands-on'. This week we would like you to design and make a free-standing spaghetti tower which will hold a marshmallow as far from the ground as possible. You'll need 20 sticks of spaghetti, 1m of tape, a piece of string and a marshmallow. This is an activity you can tackle alone or you might want to encourage other members of the family to get involved. Please visit the Design and Technology section of moodle for more guidance and if possible remember to send your Design and Technology teacher a photo of the finished tower.</p>	<p style="text-align: center;"><b>Enrichment</b></p> <p>You have been emailed a bulletin packed full of enrichment ideas. It is also on our College website. Enjoy!</p>	<p style="text-align: center;"><b>KITE</b></p> <p>Choose a subject and re-visit the KITE page. What key terms can you learn using the self-testing toolkit?</p>
