

Week commencing: Monday, 13 July 2020

The tasks highlighted in yellow are your core subjects so we recommend you prioritise these areas. You have set tasks to submit every fortnight across all of your subjects. Please don't worry if you can't complete all of the work; your wellbeing is the most important thing at this time! Please keep in touch with your subject teachers and tutor via email so that they can support you. Further details for every subject are on your epraise. If you are unsure about anything, please email your subject teacher or the support email: year9support@ivybridge.devon.sch.uk

Year 9 Weekly Menu

<p style="text-align: center;">Mathematics</p> <p>Task one: Complete the 'retention' sheet which is on epraise. PLEASE JOIN OUR 'LIVE SESSION' - we are live marking the retention task followed by a Q and A session. This will be on Friday, 17 July at 2pm via TEAMS for approximately 30 - 40 minutes, and will be recorded if you can't make it.</p> <p>Task two: Watch the video which an Ivybridge Community College Mathematics teacher has recorded for you and then go to Mathswatch and complete the questions on there.</p>	<p style="text-align: center;">English</p> <p>Final English task of the year! Please write a formal letter to your new English teacher. The video, going through the task in the live lesson on Friday, 10 July, is available to watch on Microsoft Stream. Your teacher will send you a link to the video and a PowerPoint to support your writing. You can handwrite or type your letter and then either upload a document or a photograph of your letter to your class folder in Classwork. Please submit your letter by Friday, 17 July.</p>	<p style="text-align: center;">Biology</p> <p>Please complete the following tasks on The EverLearner, finding them on the Assignments page: Discovery and Development of Drugs Video and Test. Please remember you can also use the Dashboard page of The Everlearner to revise past learning to help embed it into your long term memory.</p>
<p style="text-align: center;">Chemistry</p> <p>Please complete the following tasks on The EverLearner, finding them on the Assignments page: Electrolysis of Aqueous Solutions Video and the Chemical Changes Checkpoint. Please remember you can also use the Dashboard page of The Everlearner to revise past learning to help embed it into your long term memory.</p>	<p style="text-align: center;">Physics</p> <p>Please complete the following tasks on The EverLearner, finding them on the Assignments page: Pressure in Gases Video and Test. Please remember you can also use the Dashboard page of The Everlearner to revise past learning to help embed it into your long term memory.</p>	<p style="text-align: center;">Combined Sciences</p> <p>Please complete the following tasks on The EverLearner, finding them on the Assignments page: Uncertainty Video and Test, Energy Resources Video and Test and the Eukaryotes and Prokaryotes Video and Test. Please remember you can also use the Dashboard page of The Everlearner to revise past learning to help embed it into your long term memory.</p>
<p style="text-align: center;">Art and Design</p> <p>You have been set weekly tasks via epraise with staggered submission dates. Your teachers have sent you an email to explain how to submit your work digitally via 'classwork'. Please save your work in your named folder, your work should be labelled as the task title e.g. extended patten. In the 'class' folder you will also have extension tasks which are optional stretch activities, these can be submitted as part of your coursework marks and can gain you extra marks if undertaken skillfully.</p>	<p style="text-align: center;">Business Studies</p> <p>Please see your email and epraise for a task on Consumer Legislation. Look through the PowerPoint and complete the 6 mark question on legislation. This is in the Word document. The final week will be a chance for you to review everything you have studied so far this term and ask questions.</p>	<p style="text-align: center;">Economics</p> <p>Diagnostic task - you have 2 assessments, a multiple choice paper and a longer answer paper. You will have these set a week apart via email and epraise. When you submit each task you will receive a link to a streams video so you can reflect upon your answers and undertake DIRT time. Good luck and email Mrs Brooks if you have any questions.</p>

<p style="text-align: center;">Computer Science</p> <p>Work through the 1.5 Network topologies, protocols and layers unit on the VLE here: http://vle.ivybridge.devon.sch.uk/course/view.php?id=303 and use the Craig n Dave video playlist from here https://www.youtube.com/playlist?list=PLCiOXwirraUCzDEOPQiBSLIPTkDfFBiOO</p> <p>If completed, start on 1.6</p>	<p style="text-align: center;">Design Technology</p> <p>Your final design challenge for this Ikea project involved looking at your previous tasks. This week you can draw or create a model. You should use the previous design work to create an extension to the range. Please visit the Design and Technology section of Moodle for more in-depth guidance.</p>	<p style="text-align: center;">Dance</p> <p>Task 1 - Practical Keep rehearse the Set Phrase 'Breathe' and Set Phrase 'Shift'</p> <p>Task 2 – Theory Complete lesson material for Infra Attend Microsoft Teams lessons</p> <p>Task 3 – Theory Complete the 3 x 6 Marker questions based on Action, Space & Dynamics for section B Complete the Section A work for choreography – creating intent and ideas Complete the Section A work for choreography – statues question</p> <p>Home Learning Continue to rehearse material learnt in lesson Complete the tasks outlined on epraise Ensure you have completed all work set on email</p>
<p style="text-align: center;">Drama</p> <p>Please work to complete any outstanding elements of the lockdown Projects, and submit them to the appropriate folder on Classwork in the normal way. For the deadline of Friday, 17 July, please complete and submit your Live Theatre Record sheet to the folder in Classwork, including of all the theatre that you have seen during the year. To further stretch yourself over the summer, you may continue to watch additional theatrical productions online, and keep a record of your observations. In addition, please complete the MS Form "y9 Drama Student Voice", following the link provided to you via email.</p>	<p style="text-align: center;">Fashion and Textiles</p> <p>This week is samples week. Choose 1 of the three designers given on the PowerPoint. Research and recreate their work. Also Review and Improve over the summer holidays. All information has been set on epraise and sent to you by email. You MUST complete all the tasks. Improve your pages. Complete any of the extension tasks. Please refer to the PowerPoint and ensure you have covered all the essential tasks. There are also some optional 'stretch it' tasks. Refer back to your PowerPoint and ensure the presentation of your page is of a high quality. Please upload an image of your work to epraise or email me with an image when task is completed.</p>	<p style="text-align: center;">Food and Nutrition</p> <p>This week is the final week of the Up Skilling Project. Please visit the Design and Technology section of Moodle for more in-depth guidance, work booklet and audio PowerPoint presentation. This week's tasks: You will create a food label with the traffic light system for a high skill dish - online Foodafactoflife software. Booklet page-19. PowerPoint Slide: 5.</p>
<p style="text-align: center;">Geography</p> <p>This week you will be learning about the opportunities and challenges of living in Alaska. Work is set on Epraise and PowerPoints can be found in Handouts (in a folder called week commencing the 13th of July). Electronic versions of the textbook and revision guide</p>	<p style="text-align: center;">Health and Social Care</p> <p>Consolidation and application of learning: this week you will be using your knowledge of the care values to help you prepare for the next assignment you will be completing when we return to college. Using all your completed booklet pages, start to plan how you</p>	<p style="text-align: center;">History</p> <p>Well done on all your hard work this term, it has been really encouraging to see how much you have been learning about the Norman Conquest. As we approach the close of term it is important we reflect on all that we have covered and strengthen any</p>

<p>are also available in Handouts. Each PowerPoint will have a teacher explaining the tasks to you. Once you have completed the tasks you will need to answer the review questions. Save a copy/photo of your work in the Classwork file on Foldr and include your name in the title. A teams meeting will be held on Tuesday, 14 July at 12pm to review last week's lesson</p>	<p>will demonstrate care values in the form of a role play that will be assessed. Complete the template on page 25 to demonstrate your planning and email your work to your class teacher.</p>	<p>areas where we might still have gaps. To help us achieve this you should use the information and quizzes on Seneca Learning and BBC Bitesize to create mind maps, flashcards and any other revision materials which will support this. If you have missed any work this term you should aim to use this time to complete any catch up. https://www.bbc.co.uk/bitesize/topics/z2gvfrd https://app.senecalearning.com/classroom/course/7414bb05-760e-4edc-91fe-5622586e2bd1/section/04f061e6-7508-44da-ac71-5b1914f31813/session</p>
<p style="text-align: center;">Information Technology (ICT)</p> <p>Work through the tasks on the VLE course "Creative iMedia Summer 2020 Home Learning" here http://vle.ivybridge.devon.sch.uk/course/view.php?id=413 You cannot work on your coursework at home, so these tasks focus upon the exam unit R081. You should next be working on the "Software eBook"</p>	<p style="text-align: center;">Media Studies</p> <p>For the final weeks, we are going to focus on the practical element of Media Studies. Please see your emails for the presentation that will guide you through how to plan and possibly create your very own Film Poster. There is a clear process you have to go through and the presentation guides you through this. The process that must be followed is: Research-Planning-Pre Production-Production-Evaluation. Work your way through the slides to create work for return in September.</p>	<p style="text-align: center;">French</p> <p>This week you will need to visit our padlet page: www.iccmflrevision.co.uk 1. Go to GCSE Bitesize practise reading and writing on the themes of Free Time, Friends and Family and Technology. 2. Go to GCSE Bitesize and practise listening and speaking on the topics of Free Time, Friends and Family and Technology. Please also check your email to find details of your weekly speaking session with your teacher.</p>
<p style="text-align: center;">Spanish</p> <p>This week you will be continuing your new topic booklet on Free Time (lesson 9 and 10). These can be found in Handouts along with a PowerPoint explaining what you need to do. Full instructions as to how to find the booklets and where to save your work is on epraise. Please also check your emails to find details of your weekly Microsoft Teams speaking session with your teacher as well as videos with explanations to support each lesson in the booklet.</p>	<p style="text-align: center;">Music</p> <p>Task 1: Attend your weekly Microsoft Teams lesson Monday, 13 July at 11am and complete work set within this. If unable to attend, watch back this recorded lesson. Task 2: Continue to practise your two solo performance pieces and be prepared to perform/record this with the Teacher (and peers) when we return and are able to sing/play instruments live. Task 3: Complete set composition tutorials set in Charanga as shown within the lesson. Home Learning: Complete all tasks set on epraise (also emailed to you). Stretch It: Login to Focus on Sound, click on Instruments and complete listening for the Strings, Brass, Woodwind and Percussion tabs.</p>	<p style="text-align: center;">Photography</p> <p>Review and Improve all work set so far. Please use the checklist on epraise to help you to track your progress. All previous tasks are saved in classwork.</p>

<p style="text-align: center;">Physical Education</p> <p>Task 1 – Q 1 - Beth also tested her fitness using the sit up bleep test and the ruler drop test.</p> <p>Evaluate the value of using the sit up bleep test and the ruler drop test to measure her fitness for table tennis. (6 marks)</p> <p>Task 2 - Investigate Principles of training which is the last part of this paper.</p> <ol style="list-style-type: none"> 1. What Are Principles of Training? 2. What does the Acronym SPORT stand for? 3. What is the breakdown of Progressive Overload? – FITT Your final TEAMS session will be next Thursday for Mrs Philpot's group and Friday for Mr Cliff's Group 	<p style="text-align: center;">Religious Studies</p> <p>This week you need to continue to work on your Christian Practices workbooklet using the information book. These can all be found in Handouts under Year 9 closure work. Complete pages 25 to 32 . This means that all of the festivals section should be completed. When it is complete tick it off in epraise. Essays need to come to us for marking please.</p>	<p style="text-align: center;">Sociology</p> <p>Well done so far on all of your hard work in Sociology! These have been unusual circumstances and we know how difficult working from home has been for you.</p> <p>For the last two weeks of term, we would like you to review and consolidate what you have learnt in Sociology since College has been closed. To do this, please use the document on Handouts which contains extra guidance. There is also an opportunity for you to plan and complete 12 mark questions relevant to the content you have studied.</p>
<p style="text-align: center;">NCFE Health and Fitness</p> <p>This week you are going to review your principles of training and methods of training end of topic test. You are going to self assess your answers using the mark scheme sent to you. You will then fill in the feedback form, like your teacher did for you last week. This will be emailed to you and also uploaded onto epraise.</p>	<p style="text-align: center;">Enrichment</p> <p>You have been emailed a bulletin packed full of enrichment ideas. It is also on our College website. Enjoy!</p>	<p style="text-align: center;">KITE</p> <p>Choose a subject and re-visit the KITE page. What key terms can you learn using the self-testing toolkit?</p>
