

Wednesday, 6 January 2021

Firstly can we say a very big thank you to all of you who have been so supportive in communicating with the College over the last two days which has enabled us to all work in partnership to support your child's learning during this period of uncertainty.

We have been particularly impressed with the attendance to our online lessons so far, and look forward to welcoming Year 7, 8, 9 and 10 to join their timetabled lessons live via Teams which will start with morning registration at 8.55am with their Tutors (Wednesday, 6 January). This will be followed by their timetabled CPSHE lesson for all Year Groups in which Mrs Hutchinson and Ms Lilley will be providing a briefing to support each Year Group.

A reminder that you can access the previous New Year briefing via the College website if you need any support on how to access Teams tomorrow.

As some of you may be aware, the College did experience some teething problems with one of our external providers earlier in the week which has now been resolved. Tomorrow morning will involve all lessons across all Year Groups being delivered 'live' via Teams. Our broadband and external providers have reassured us that we have the capacity and infrastructure to deliver the required lessons at any given time. Please do bear with us if we experience any unforeseen technical issues tomorrow and we will do our best resolve them as quickly as possible. If you need to communicate with us regarding any issues with remote learning, please continue to use the Year Group support email addresses as previously published.

The College will continue to keep you posted on any developments, and we would once again encourage you to view tomorrow's briefing once it has been published on the College website later in the day in order that we can continue to work in partnership with you.

Thank you for your support.
