A chance to begin your PADI and SCUBA experience starts here – experience the local underwater environment like never before, experience the weightlessness and the tranquility of the marine world. This is a **non-residential** week. We will be taking the opportunity to take students through the PADI Scuba Diver qualification over the course of three days, including theory development, pool training and open water dives. All equipment will be provided and the students will have the option of furthering their qualifications to the full (Junior) PADI Open Water Diver, for an extra fee. **Please note that there are medical restrictions associated with SCUBA diving** (especially those around respiratory ailments – asthma etc.) and we would ask that any queries are raised sooner rather than later. Further to the three days there will be a day at Splashdown in Paignton and a day Coasteering with Reach Outdoors in Paignton. On Thursday students will have a quick stop at Goodrington Sands Beach for an ice cream before heading back to the College.
