Ivybridge Community College

**Years 8 and 9
Booklet 2**

Enrichment Week 2022 – Booklet 2 Packages

Ivybridge Community College will once again be hosting its very own Enrichment Week for Years 7 to 10 for 2022, however, it will be a descaled week in comparison to previous years due to the impact and restrictions of COVID-19.

What is Enrichment Week?

While a large proportion of Ivybridge Community College students' time is spent on ensuring their academic success, we also believe in helping students develop their characters; find out more about their interests and passions; and invest in their social, moral and cultural life skills.

The activities offered in Enrichment Week help improve our students' future employability, boost self-confidence, develop leadership skills, instil self-motivation, overcome fears and help them succeed in society. They are also a fantastic way to increase students' enjoyment of College life, creating an inclusive spirit and helping build life-long memories and friendships.

What happens?

During Enrichment Week the normal College timetable is collapsed and students are offered a range of alternative learning experiences and activities outside of the usual curriculum. The week provides students with the opportunity to see and experience places and attractions both in the UK and abroad.

When is it?

Monday, 4 July to Friday, 8 July 2022

Please note all Booklet 2 packages are from **Tuesday, 5 July to Friday, 8 July 2022.**

What is Enrichment Week Booklet 2 - Various Packages?

Booklet 2 comprises of a further sixteen packages which have been organised for our current Years 8 and 9 for 2022. Some of these packages are on-site and off-site.

Communication

This booklet includes an overview of the packages available to students, the cost, a short itinerary, meeting places and the dates.

Information will be distributed via email, the College website, Facebook and printed copies handed to all Pupil Premium students. Printed copies are also available outside the Gymnasium for student collection.

Enrichment Week Timetable

Please find below the packages available to all students in Years 8 and 9 for Enrichment Week 2022. Students must select **one package** to take part in during Enrichment Week. Please note these packages are not available to those who have signed up already to Booklet 1. The below packages will be live on ParentPay from **9.30am on Monday, 30 May**. Please note that the packages will not all appear at once. It takes time to release each package.

Those students who have not yet participated in rehearsals may participate in this Enrichment Week in a non-performance capacity. The company will be producing and presenting a performance of Caryl Churchill's play Love and Information to a paying public audience. The Enrichment Week offer will give students the experience of working in a company of actors and theatre-makers to produce a full-length play, with the range of skills, focus, collaboration, and commitment such an enterprise requires. The performance will take place on the evening of Friday, 8 July. Students should wear appropriate comfortable clothing in which they can move for performance and undertake physical tasks that are part of the theatre-making process. Clothing may get dirty and/or dusty during the activities of the week. In addition to a contribution to the cost of putting on the production, company members will be asked to acquire specific items of costume and/or props according to the roles that they play. Students will require drinks, snacks, and lunch and possibly a packed tea on Friday. The College Dining Hall will be open. All students will have their two breaks as per normal.

Package N – Spirited Arts				
	Tuesday	Wednesday	Thursday	Friday
	Explore cultures, philosophies and influential figures across the world for inspiration (8.45am – 3.10pm)	Design and create your Spirited Arts project (8.45am – 3.10pm)	Design and create your Spirited Arts project (8.45am – 3.10pm)	Design and create your Spirited Arts project (8.45am – 3.10pm)
Package N Spirited Arts	<p>Spirited Arts is an opportunity to explore diverse cultures and philosophies across the world and get creative in designing a piece of art of your choice that links to one of this year's themes. Hundreds of schools around the world take part each year to enter the Spirited Arts competition with entries in (almost!) any art form, including:</p> <ul style="list-style-type: none"> • Art (painting, drawing, sketching etc) • Poetry • Photography • Dance • Music • Drama • Sculpture <p>Some resources will be provided including paint, card, paper, pens and pencils. However, to ensure you can design and produce a high-quality piece of art, you will be expected to bring in suitable resources for your project. There will also be an opportunity to produce a school display for the blue carpet. All activities are on-site.</p> <p>This year's themes are: "We have far more in common with each other than that which divides us" The quote from Jo Cox MP introduces this theme, which is about the question: are we one human race, despite our differences and divisions? We are all different, and all religions are different – but are we all the same too? Can we all be united? What holds humanity together? Is it faith? Hope? Love? Music? What threatens to tear us apart? How can we overcome the divisions that affect us? Use some specific religious ideas and quotes in this. Make a work of art that shows what unites us, brings us together, joins humans as one people and expresses our harmony. Use the disciplines of theology, but also of psychology and sociology to explore the questions and create your responses. We are delighted to once again partner with the Jo Cox Foundation to run this theme</p> <p>God's good earth? ("Beautiful World, wonderful God?") Are we spoiling God's good earth? Does the Earth belong to God? Should we be thankful for it? Can we save it in time from the threats of climate change? The beauty of the earth is celebrated in many religions, but the human spoiling of the earth is a danger and a coming crisis. In this theme, learners are invited to explore ideas and beliefs about the natural world, human responsibility for the earth and ways of praying about climate justice. Great work will show some originality: the globe in God's hands won't win! Challenge students to use scripture quotations thoughtfully, but also the methods of scientific enquiry and moral study to develop deep answers and good writing to go with stunning images.</p> <p>Searching for God</p>			

	<p>Students who are atheists, agnostics and believers in God can all respond to this theme. We invite expressions of their sense of the search for God. Where's God? In your heart? In prayer? In the temple or the universe? Or is she hiding? Is he not there at all? Unreal? Imaginary? Looking for God, searching for him or her, matters to many, but how are we doing in finding God? Would you search with google or a 'god-detector'? Is God on Instagram, TikTok or WhatsApp? Can God be found by prayer or by looking among the world's suffering people? This popular theme produces great work where students use ideas from religions clearly: The Jewish Psalms 42 and 43 are where it starts – there are parallels in many scriptures. Use theological reflection as well as philosophical argument to make great work.</p> <p>Our subject is increasingly called 'Religion and Worldview's'</p> <p>This theme invites students to express their own world view. That might include beliefs and values, identities and truths as you see them. A religion is one kind of worldview and so are Humanism, atheism and being spiritual but not religious. Encourage students here to think about their own view of the world – or maybe some older students will present a view of the world they disagree with! Looking through a lens, some tinted glasses or a microscope is a common image for trying to understand how our worldviews work – will your students use that, or some more original idea?</p> <p>Celebrations: Big days and big ideas</p> <p>This theme enables students to create work about religious festivals from Divali and Eid to Wesak or Vaisakhi, Easter or Shabbat, Christmas, and Remembrance. Festivals can be annual – or weekly, celebrated in places of worship or on the streets. Encourage learners to connect their vision of today's festivities to stories and memories from long ago, and to use scripture and other holy words in their work. Pieces of work might look at one festival, but some will be up for the challenge of looking at more than one celebration and noticing what's similar and different, how excitement, memory, love and community are drawn together by big days and big ideas.</p>
Year Group:	Years 8 and 9

Package O Wild Week	<p>This week is especially for students who love animals! Students will get the chance to watch them, learn about them. Students will spend their four days visiting an RSPB Reserve in Powderham, Exminster, design bug and bird boxes, explore Longtimber Woods, develop crafts and join the fun at splashdown.</p> <p>Just five miles from Exeter city centre, Exminster and Powderham Marshes are great places to see birds all year-round. Enjoy a lovely walk here in this fascinating landscape, where flocks of geese, ducks and waders are numerous. Regular visitors include lapwings, redshanks, wigeons and warblers. Students will travel by minibus for this activity.</p> <p>Do you have a love for the environment, wildlife and all things nature related? Then why not spend time during Enrichment Week working with a small team of students designing and making Bug and Bird boxes? Did you know that an average garden could hold over 2,000 different species of insect! By providing the right habitats we can greatly increase the number of beneficial insects, such as bumblebees, whose numbers are rapidly declining in the wider countryside.</p>			

	<p>Students will have the chance to plan the routes each morning using their map skills before heading out to enjoy our beautiful local area. On Thursday students will immerse themselves in the sound of gently flowing water and bird song on a nature walk at Longtimber Woods. Students will observe and identify wildlife in their natural habitat.</p> <p>The week will end with Splashdown Water Park, students will travel by coach to this activity.</p> <p>Payment Plan</p> <p>To ensure that all money is paid to the organisers a compulsory schedule of payment is detailed below:</p> <p>By Friday, 17 June 2022 £35.00 Payment 1</p>

Payment Information

Booking and payment of a package must be made using ParentPay. If you have not used it before, please go to www.parentpay.com and log in to activate your account and use the user name and password sent to you by the College.

All packages have a maximum number of spaces and are offered on a 'first come first served' basis. All packages are different with regards to the number of available spaces. If a package is full, students must choose an alternative package.

Once booking is completed and deposits are paid, a student's place is automatically secured. Students' details will be extracted from SIMS for off-site visits to include parent/carers contact details, medical information, and allergies. Please ensure you inform the College of any changes in personal details. **The act of booking and paying for your child's package on ParentPay represents consent for them to participate in that chosen package and activities.**

If you would like further information regarding ParentPay or you encounter any complications please do not hesitate to contact Gaynor Eccles, Finance Administrator, in the Finance Office.

Payment 2

Deposit and Schedule of Payment

After **Friday, 17 June** you are committed to the package that is signed up for and all the cost involved. No refunds are possible after this date. If there is an exceptional circumstance where your child is unable to attend the package chosen, please contact Helen Reddy (enrichment@ivybridge.devon.sch.uk) to discuss. If another student can fill your child's place, then a full refund will be made by the College.

Regardless of the above deposit deadlines, all packages will remain open on ParentPay until all spaces have been filled.

Enrichment Week information can also be found on the College website
<https://www.ivybridge.devon.sch.uk/page/?title=Enrichment&pid=1560>

How to Pay

1. ParentPay must be used to sign up all students for Enrichment Week.
2. Select a package labelled from **A - P** (subject to availability).
3. Follow the schedule of payment outlined in this booklet.
4. Return Slip – return the attached slip to your child's Tutor by **Friday, 17 June 2022**. By handing in the return slip you are confirming payment of your deposit, chosen package and informing the College of any personal information that has changed since September 2021. You are also confirming your agreement with all the guidelines set out in the booklet. We also need to know about swimming ability if attending water-based activities.
5. All Booklet 2 Packages will go live on ParentPay from **9.30am** onwards on **Monday, 30 May 2022**.

Financial Assistance

Financial assistance is available for Pupil Premium students, with a maximum of **£50** for each eligible student. If you wish your child to participate in a package, a deposit must be made of the required amount to confirm a place on ParentPay. Once the deposit has been made, the College will contribute £50 towards the chosen package or refund the deposit that has been made.

Please email Helen Reddy at enrichment@ivybridge.devon.sch.uk to discuss the financial assistance. Deposits must be made for a package prior to receiving the financial support. The support will be made directly to ParentPay.

Free School Meals

If your child is in receipt of free school meals, these are still available during Enrichment Week for all packages.

Cancellation of Ivybridge Community College Trips and Insurance

If an Ivybridge Community College trip is cancelled by the company that is organising it, this will result in a full refund for the student. However, if a student books their place and subsequently cannot attend, unless another student is found who can take their place, the student is still liable for the full cost of the event.

Questions

Please ensure your child speaks to their Tutor to discuss any questions or concerns regarding Enrichment Week.

Yours faithfully
