Package 7 - Football Tour to Holland

Money

Any money that the students wish to take with them for shopping and food etc. will be their responsibility throughout the trip. We would recommend students put some money aside at the start of the trip for the journey home on the Friday to ensure that they can buy food on the ferry etc. Students will be required to bring money for lunch and drinks every day. We will have a conversation with the students about the use of their money and try to encourage them to plan their spending throughout the trip

Personal Items

Any personal items such as phones, watches, books, headphones etc. that the students wish to take with them on the trip, to occupy themselves. This will be their responsibility and the College cannot be held liable for any misplaced or broken items.

Match Day Equipment

The College will take their match day First Aid Kits which will be fully stocked with spares for the fixtures that the students will play whilst we are away. The College will not provide personal items such as sock tape.

Bags

We recommend that students take 2 bags with them. One large bag to go in the baggage area of the coach and another to take personal items that they want access to for the travel. Passports and Health Cards must be in the student's bags that they have access to throughout the journey as they will require them.

Mr Wynn will be available to discuss any questions until 5pm everyday leading up to the trip, and can be contacted via email outside of these times. Please use the FootballAcademy@ivybridge.devon.sch.uk or call the College on 01752 691000
