

# YOUR APPRENTICESHIP JOURNEY STARTS HERE

An apprenticeship with us here at UHP is a paid job. As an apprentice you are a valuable member of our team and will learn and gain practical experience to shape your future career. Alongside your daily role, you will spend at least 20% of your working hours completing off-the-job training, supported by your colleagues, college, university or training provider and will achieve a nationally recognised qualification.

## Entry requirements?

Apprenticeships are available to anyone over the age of 16, not in full time education and living in England. There is no upper age limit. All apprenticeship vacancies will clearly state the entry requirements for the role being advertised.

## What apprenticeship levels are there?

At UHP we are committed to providing opportunities for those wishing to start a career in the healthcare industry. We will develop the skills of our workforce to enable them to progress along their chosen career pathway. We offer apprenticeships from entry Level 2 up to and including, Degree and Masters level 7.

## What you will get as an apprentice?

- Paid employment within the NHS
- An opportunity to work alongside experienced staff
- Paid holiday entitlement
- 20% 'off the job training' time for study
- A nationally recognised qualification

## How do I apply?
