

Ivybridge Community College Parent and Carer Bulletin

Summer II 2023

Safeguarding

As you might expect living in this part of the country our summer term bulletin reminds you to please talk to your children about being safe in our community and at the beach. Please encourage your children to read the latest RNLI advice [here](#) on Beach Safety, Rip Currents found locally [here](#) and River Safety [here](#).

We continue to strongly advise high vigilance regarding vaping and the dangers for our young people. Please see the latest article from the BBC [here](#). How to anonymously report the sale of vapes to young people [here](#)

We would also like to raise awareness of the dangers of [energy drinks](#). Check out the latest BBC article.

As we approach our summer break please remember if you have concerns of a Safeguarding nature please remember to visit our website:

- How to report a concern out of hours [here](#)
- Who can I talk to? [here](#)

Year 10	What is an unhealthy sexual relationship? Consent, coercion and manipulation, victim blaming, and alternatives to sexual relationships including celibacy.
Year 12	Unifrog, Future Pathways, Work Experience, Enrichment

Equality and Diversity Notices

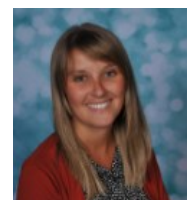

Looking back at Summer Term 1

We celebrated Deaf Awareness Week from Monday, 1 May where the student Equality Ambassadors delivered a variety of activities across the week including a Tutor session, a fundraising bake sale and photo booth which raised £73.24.

Ivybridge Community College's first culture Fest took place on 26, May which was designed and delivered by a Student Voice group. The event celebrated inclusion, equality and diversity and championed anti-racism in society, school and the workplace. We welcomed a number of external organisations including Plymouth Hope, Plymouth Argyle, Plymouth City Patriots and Diversity Business Incubator to holistically explore anti-racism .

Looking forward to Summer Term II

We will once again celebrate 'School Diversity Week' from Monday, 19 June, an exciting week of enrichment and curriculum opportunities that explore equality, diversity and inclusion. The annual 'Colour Run' will also return to bring our community together and celebrate diversity .

Miss Darby Ball, Equality and Diversity Lead
