Dear Parents/Carers

Re: Uniform Adjustments

As the south west is experiencing extreme high temperatures, we would strongly recommend that students bring a water bottle to College that they can refill during breaktimes.

Whilst we appreciate that the College has a formal uniform, we do want students to be comfortable and therefore, due to the current weather conditions, we will support the following adjustments for the **next two weeks**, providing students with two options:

1. Students wear full College uniform. However, the blazer can be removed, or
2. Students attend College in their PE kit in line with our Uniform Policy. Leggings and gymnastics shorts will not be acceptable for everyday wear around the College. Normal changing provision for PE lessons will still be available for students in uniform or who would like to change their top following exercise.

The College will review these adjustments after Enrichment Week, depending on weather conditions.

Please note that on Friday, 23 June, to celebrate part of our College's Diversity Week, we are holding a rainbow multi-day for all Year Groups, with a £1.00 donation. Please may we remind students that we expect them to be presented appropriately. Tops and skirts/trousers/shorts must meet in the middle (no crop tops) and skirts and shorts should be of an appropriate length.

Yours faithfully

Rachel Hutchinson
Principal
