

19 June 2023

Dear Parent/Carer

Further to the Principal's letter regarding uniform adjustments as a result of the hot temperatures and having received enquiries from parents/carers, we would like to clarify the following:

The College has provided two options for uniform during the next two weeks.

1. Normal College uniform without blazers. Trainers/Converse/Nike Hi-tops are **not** permitted to be worn.
or
2. College PE kit (the following **are** permitted: College T-shirt, shorts/leggings/skort, sports trainers).
Nike Pros and Gym Pants are **not** to be worn. If required a replacement item will be provided for the day where possible.

If your child attends the College wearing the incorrect uniform, we will contact you to support them in addressing this issue.

Thank you for your support.

Yours faithfully

Ivybridge Community College
