

7 July 2023

Dear Parents/Carers

Re: Uniform Requirements

Following a highly successful Enrichment Week, I want to share how our students have embraced the trips and activities. I have enjoyed listening to the excitement of the students as they have shared their experiences. Thank you for supporting Enrichment Week and helping to make wonderful memories for your children. We look forward to sharing the news articles and photographs from the week, with you via our website and social media.

All lessons and routines will return to normal from Monday, 10 July and I would kindly ask that your children are fully equipped with the necessary resources to support their learning.

With the forecast indicating fluctuating weather over the remaining two weeks of term, students will be able to continue to wear their PE kit in line with the College uniform requirements. Please may I reiterate that gym pants are **only** to be worn in Gym lessons. They will not be considered as suitable clothing to wear around the College and sanctions in line with our policy will be applied to those students who are inappropriately dressed, including jewellery and piercings.

Yours faithfully

Rachel Hutchinson
Principal
