

A Level Dance

Key contacts: Mrs Reddy (Head of Department and Enrichment) and Mrs Gardiner
Exam Board: AQA

Overview of the course:

This course will encourage students to broaden their knowledge and understanding of Dance, by looking at a range of dance works and choreographers from a variety of genres and styles, in order to inform their own work and their appreciation of Dance as an art form.

Why choose to study Dance?

- You are already actively involved in Dance outside and/or inside school and enjoy dance-based activities
- You are interested in dance technique, performance, choreography and the theatre
- You want to develop your theoretical knowledge of Dance through personal research
- It is a way of obtaining an academic qualification in a very practical way
- You see yourself using this course as a platform to Higher Education and ultimately a career based around dance

What will you study?

Dance helps students develop a number of skills:

- Visual appreciation of dance and choreography
- Balanced judgement
- Information gathering & assessment
- Ability to work on your own or as part of a team
- Communication

Students have the opportunity to gain in-depth knowledge of specific study areas and professional works, as well as connecting areas of practice with their own developing skills and theoretical understanding. This provides a suitable foundation for study in Higher Education and for employment.

Equipment:

- Black dance top and trousers
- Black leotard and black tights/trousers
- A4 note pad
- Black A4 lever arch file
