

11 June 2024

Dear Parent/Carer

Re: Year 10 Examination Support Evening on Thursday, 13 June 2024

We are pleased to invite you and your child to a Year 10 Examination Support Evening on Thursday, 13 June 2024. There will be two sessions in the Performance Hall, firstly 5.00 – 5.45pm and secondly, 6.00 – 6.45pm. This event will be busy, so to support our planning and to ensure that all parents and carers receive up-to-date information, please can I request that you register your attendance to your preferred session by clicking the link below:

[Attendance Response Form](#)

We have organised an evening which will provide valuable information about the support on offer for your child as they approach their Summer Examination Series. There will be information on the purpose of the examinations, as well as the programme that our students will be covering in the Tutorial Block as they move into Year 11. In addition, we will also outline some of the opportunities available during and after College this coming academic year to support our students. A member of the SEND Team will be available to discuss provision and examination access arrangements, should you have any questions.

There will be further evenings throughout the coming year where we will provide details of the increased support available throughout Year 11 for our students. Invitations for these events will be sent at a later date.

We hope that this information can support students in achieving results that allow them to be successful in their applications for destinations after Year 11, such as Sixth Form.

We hope you and your child, are able to attend and, if you have any further questions, please do not hesitate to contact me at the College.

Yours faithfully

Matt Kibler
College Director – Year 10
