

# Ivybridge Music Centre Primary School Provision 2024 – 2025

We believe that music-making should be accessible for all and would like to open our doors to more young people within our community. We are very lucky to be supported by a fantastic team of teachers who are as passionate about Music and the Performing Arts as we are. Hosted by Ivybridge Community College, we bring affordable and high-quality music-making and performance opportunities to our young people thanks to funding and support from Devon Music Education Hub.

We welcome primary school students who live in the Ivybridge Community College catchment area, or Ivybridge Learning Community, or those who attend a feeder primary school. Students from outside this area, or who are home educated are also welcome to attend.
