

26 February 2026

Dear Parents and Carers

Welcome back after the half-term break. I hope all our families were able to enjoy a restful and refreshing week and that students have returned ready for the busy and important term ahead.

As we move closer to the examination season, I want to extend my very best wishes to all students preparing for their final assessments. This can be a demanding time and we are proud of the determination, maturity and focus they continue to show. Our staff remain fully committed to supporting them every step of the way.

I would like to take this opportunity to congratulate all our students who have recently sat their Key Stage 3 assessments at the end of last term. We are particularly impressed by the way in which the students responded to their assessments and the exceptionally high standards of achievement.

All students have received Welcome Back Assemblies this week in which we have shared the importance of living out the College values how proud we are of our learning community.

Mobile Phone Expectations

I would also like to inform you that a letter will be sent to all parents and carers this Friday regarding the use of mobile phones in College. This communication supports the latest DfE updates and will outline expectations and guidance.

Thank you, as always, for your ongoing support and partnership. Together, we can ensure the very best outcomes for our students.

Yours faithfully

Rachel Hutchinson
Principal
