Summer Holiday Activity Programme 2026

What is Community Sports?

Ivybridge Community College takes great pride in being able to welcome members of the public and community groups on-site to use the fantastic facilities outside of curriculum hours. Managed by the Community Sport Department, they are able to host sports participation, fixtures, competitions and a fantastic Holiday Activity Programme. Our aim is to bring the community together by providing a range of sporting activities.

Community Sports will be hosting a Summer Holiday Activity Programme for ages 5 to 15. A request can be made for under 5's, please email for information.

The activities included in the Summer Holiday Activity Programme will help keep your child/children busy and active whilst also helping to improve coordination, sporting abilities and create life-long memories and friendships.
